

Are you missing out on qualified applicants?

If your *TOEFL iBT*® and IELTS™ score requirements aren't aligned, you could be turning away well-qualified applicants or missing them entirely because they don't apply.

That's why we've created research-based score comparison tools that make it easy to align your scores.

Visit **www.ets.org/toefl/comparescores** to:

- Use the **interactive score comparison** tool
- Review **comparison tables** for overall scores and section scores
- Read the **research reports** on which these tools are based
- Get answers to **frequently asked questions** about comparing scores

Reliable research behind the score comparisons

ETS developed the comparison tables for *TOEFL iBT*® scores and IELTS bands after a thorough analysis of 1,153 score reports for students who took both the TOEFL iBT test and the IELTS Academic test. The TOEFL iBT score and CEFR comparison table is based on mapping studies published in 2015 and 2008 that identified the minimum scores on the TOEFL iBT test.

TOEFL iBT Score	IELTS Band
0–31	0–4
32–34	4.5
35–45	5
46–59	5.5
60–78	6
79–93	6.5
94–101	7
102–109	7.5
110–114	8
115–117	8.5
118–120	9

Shading indicates score comparison ranges with the highest degree of confidence.

CEFR Level	TOEFL iBT Score
C2	114–120
C1	95–113
B2	72–94
B1	42–71

ETS does not endorse using the tables to calculate cut scores. Institutions wishing to set cut scores should study the two tests and work with test results to set cut scores that are appropriate to meet their specific needs.

Use our interactive score comparison tool at **www.ets.org/toefl/comparescores**.
