

## INSTRUCTIONS FOR COMPLETING THE REGISTRATION FORM

USE A SOFT WRITING TOOL SUCH AS A NO. 2 PENCIL TO COMPLETE THIS FORM.

AS YOU WORK, MAKE DARK MARKS THAT COMPLETELY FILL EACH CIRCLE, BUT PLEASE BE CAREFUL NOT TO TEAR THE FORM

This form must be completed so an admission ticket for the test or tests you select can be mailed to you. Please provide the information requested on the other side of this form after reading the following instructions carefully.

Section 1 — Print your name, last name first, in the spaces indicated. Be sure to fill in the corresponding circles below each letter you print.

Section 2 — Print your street address and fill in the appropriate numbers or letters in the circles below each number and letter you print. Leave spaces where appropriate and write in a slash mark (/) if your address happens to contain a fraction (for example, 2824 1/2 California Blvd). You should fill in a blank circle (blank circles are in the top row) wherever you leave a space. Note that the rows of circles containing the numbers (0-9) and a row of circles containing slash marks follow the rows of letters.
