SEARCH SERVICE – This free service matches prospective graduate students with participating graduate schools and fellowship sponsors. If you match the recruitment profile of a participating institution/organization, you may be sent information about graduate programs, admission requirements, financial aid opportunities, fellowships, and other graduate education opportunities. When you participate in the Search Service, your background information, contact information, and broad score ranges into which your test scores fall will be added to the Search Service database so that participating institutions can locate you. Information provided to participating schools does not include individual GRE test scores. To learn more about the service, visit ets.org/gre/stusearch.
