

**Table 3: Subject Tests Interpretive Data for Subscores**

(Based on the performance of all examinees who tested between July 1, 2005, and June 30, 2008)

| Scaled Score        | Percent of Examinees Scoring Lower than Selected Scaled Scores |                     |                                       |                                       |                           |                              |                                |                          | Scaled Score        |
