

AUDIOLOGY/SPEECH-LANGUAGE PATHOLOGY

Attending Institution/
Recipient Codes

Following is a list of codes for completing the **Attending Institution** and **Designated Score Recipients** sections on the registration form for candidates who take the Audiology or Speech-Language Pathology test. The **Attending Institution** section requires codes preceded by an A or the institution(s) where you received training relevant to the test. The **Designated Score Recipients** section requires codes preceded by an R for the institution(s) where you want your score report sent. RA codes may be used in either section.

Under each state, state departments and agencies are listed first and bolded, followed by speech-language pathology and audiology departments of colleges and universities. Codes are added and revised throughout the year. If you are not able to find a code you are looking for, please contact Customer Service to see if one was assigned after our Web publication date.
