

ATTENDING INSTITUTION/RECIPIENT CODES

Following is a list of codes for completing the **Attending Institution** and **Designated Score Recipients** sections on the registration form. The **Attending Institution** section requires codes preceded by an A for the institution(s) where you received training relevant to the test. The **Designated Score Recipients** section requires codes preceded by an R for the institution(s) where you want your score report sent. RA codes may be used in either section.

Under each state, state departments and agencies are listed first and bolded, followed by colleges and universities. Codes are added and revised throughout the year. If you are not able to find a code you are looking for, please contact Customer Service to see if one was assigned after our Web publication date.
