

ADDITIONAL SCORE REPORT REQUEST

Complete this form to request that your scores be sent to a designated score recipient or to you. Your report will include your highest score for each test taken over the last 10 years. Complete and mail this form with a remittance of \$40 for each report requested. ETS will honor a telephone or faxed request to send your scores to a recipient (telegram requests will not be honored). Your request will be processed in approximately ten working days after receipt. If you request that a copy of your score report be sent to a designated score recipient, you will automatically receive a copy of your score report confirming that your scores were sent as requested. Scores for a specific test will be sent to a recipient only if that recipient is eligible to receive those scores.

You may not use this form to delete or substitute score recipients previously listed on your registration form.
