

TOEFL® Scholar Program

Scholarship Application for China

ETS, located in Princeton, New Jersey, USA (ETS Princeton), has developed a scholarship program to recognize outstanding students in China who will begin their overseas studies in 2010. The program will recognize students with high academic achievement who have demonstrated leadership skills, innovative ideas and an outstanding ability to communicate in English. Your answers to these questions will be used only in connection with your application for the program and will be reviewed independently by one admissions officer from an overseas institution and one Chinese professor, as well as by ETS China (a subsidiary company of ETS Princeton that is processing applications).

All responses must be provided in English. Please TYPE or PRINT LEGIBLY. You may attach additional pages as necessary. The completeness, neatness and legibility of your replies will allow for a complete and comprehensive review of your credentials.
