

TOEFL iBT™ Testing for Groups of Students

ETS offers institutions the opportunity to have a group of students take the TOEFL Internet-based test at the same location and on the same test date. This is the process:

1. Submit a Group Reservation Request to Prometric at pnl.ibtbulk@prometric.com. Be sure to include the following information:
 - Your institution/program's name and address
 - Your institution's GSP number, if available
 - Location where you would like your students to test (country, state, city)
 - Specific test dates requested, or timeframe for testing
 - Number of seats you are requesting
 - Your contact information (name, e-mail address and phone)

We recommend submitting Group Reservation Requests at least 30 days before the preferred test date. Prometric will find the location/date that best meets your needs.

Each student must create a TOEFL iBT online profile using the ETS online registration system at www.ets.org/toefl. Each student will be assigned an ETS ID number.

NOTE: Registration and payment must be completed at least 20 days before the test date, or the seats you reserved will be released to the public.
