Dear Parent/Guardian:

I am a candidate taking the Performance Assessment for School Leaders (PASL). As part of my assessment responses, I would like to submit samples of your child's work as evidence of my professional practice. Your child's name will not appear on any materials that are submitted.

My responses, including all written commentary and student work samples that I submit, will be viewed by ETS raters while scoring my assessment. These responses may also be used to train new ETS raters for the scoring of future assessments. My written commentary may be used by ETS in the development of a library of examples for future school leader candidates. The library will not include student work samples.

Please complete the information below and check the appropriate box to document your permission for submitting samples of your child's work.
