

ETS RECOGNITION OF EXCELLENCE (ROE) REQUEST FORM

The ETS Recognition of Excellence honors examinees who achieve exceptional individual performance on selected *Praxis II*® tests. It is awarded to test takers who meet or exceed the ROE target score determined by the top 15% of candidates who took the test in previous years. Beginning with the September 13, 2003, administration, examinees who earn an ROE score will automatically receive a formal recognition certificate and congratulatory letter from ETS. If you earned an ROE score prior to 2003, and would like to receive a recognition certificate, complete this request form and return it to ETS with the appropriate fee. NOTE: ROE certificates can only be issued for scores earned within the last ten years. The ETS Recognition of Excellence is a means of recognizing outstanding individual performance on *Praxis*® tests. It is not a criterion for licensure, hiring, or promotion decisions. ETS will honor telephone (800-772-9476 or 609-771-7395) or fax (609-771-7906 or 609-530-0581) requests.
