

Every Nadir I Need Your Accompany

PhoEbe

When I feel bored, they always make some jokes

Listen to my problem and solve it

Norah

Soumis

Always share happiness and sadness with me

When I want to do everything always think of them

PeNny

Kelly

When I am in a bad mood, always stay with me

They always support me when I want to fulfill my dream

Angel

Conclusions :

In our opinions, friendship means accompany and mainstay. Friends are our treasures, if we don't have a person who can share our feelings, we might be under pressure. Therefore, we have to not only cherish them but stay with them.
