

# Friendship

We believe **friendship** is one of **the most valuable things** in this world. We are lucky enough to have some fantastic friends here. How about you? **(The whole group)**

Presented by some grade 7 students of  
Tan Hung Town Lower Secondary School,  
Long An, Vietnam

When I feel sad and disappointed with my studying, my close friend **always comes** to cheer me up. That's all I need about a longstanding friendship.

**(Thien Truc)**

*My best friend is the one I usually play a trick on, but he never get angry with me. He will try to trick me back, instead.*

**(Hoang Long – Trung Nam)**

For me, everyone really needs a true friend in his or her life just to share things with. And so do I. **(Phuc Uyen)**

My best friend is the one I spend most of the time with, going to school and back home, doing homework, playing sports and sharing happiness. It's great to be friend with her. BFF!

**(Khanh Doan – Bao Tram)**
