

## Official GRE® Mentor Voucher Service

The [Official GRE Mentor](#) course is a self-paced online course that offers students more practice than ever before, including the best test prep offerings from the makers of the test, as well as content to help build their skills and expand their potential for growth and improvement. **The course includes access to POWERPREP PLUS® Online – Practice Test 2 for the Shorter GRE**, which delivers scores and feedback on all three sections (a \$40 value). Students are advised to take this practice test after completing the GRE Mentor course.

Institutions and organizations that wish to pay for the GRE Mentor course on behalf of sponsored students can purchase GRE Mentor vouchers in bulk quantities of 10 or more. The fee for each voucher is US\$80, which represents a 20% discount off the regular fee of \$100 and entitles the student access to the course for one year from date of enrollment.

### Process for Obtaining GRE Mentor Vouchers

Complete the Order Form and Use Agreement on the following pages and return to ETS.

- Vouchers can be purchased with either a purchase order or a credit/debit card. Payment for purchase orders must be submitted within 30 days of receipt of the invoice.
- Email the completed Order Form to [gremmentor@ets.org](mailto:gremmentor@ets.org).
- Once your Order Form is received, ETS will send you an invoice for payment. Payment must be received before the vouchers can be sent to you. If you indicate you are paying by credit card, the invoice will direct you to contact ETS with your credit/debit card information.
- When payment is received, vouchers will be prepared for the quantity ordered and sent electronically to the email address indicated on the form. Your institution/organization can then distribute the vouchers to students for whom the fee will be paid. Refund requests will not be accepted.
- Vouchers are redeemable for one year from date of issue.
