GENERAL INFORMATION

ETS is committed to serving test takers with disabilities or health-related needs by providing reasonable accommodations that are appropriate, given the purpose of the test.

Practice tests are available and support the following experiences: General Experience, Screen Reader Accommodation, and Transcript and Closed Captioning Accommodation. We strongly encourage you to use these practice tests so that you are fully aware of the kinds of interactions you will encounter in the actual test.

Many test takers with disabilities successfully take a *TOEFL*[®] *Essentials*[™] test with appropriate accommodations. Some test takers with disabilities may want to ask their prospective institution or fellowship sponsor whether it is willing to waive the test requirement and consider their application based on other information. We encourage test takers to choose the path they think it is more suitable for them.

Important: Test takers requesting accommodations **MUST** complete a TOEFL Essentials Registration Form and a *Testing Accommodations Request Form* and submit them to ETS Disability Services. The forms may be submitted online, via email, mail or courier service. We strongly encourage using the convenient online registration system. You must submit your request and have your accommodations approved by ETS Disability Services **before** your TOEFL Essentials test may be scheduled. Accommodations cannot be applied to a test that has already been scheduled.

Submit your request as early as possible. Documentation review takes approximately four to six weeks once your request and complete paperwork have been received at ETS. If additional documentation is requested, it may be approximately another two to four weeks from the time the new documentation is received until the review is complete.

Information about TOEFL Essentials policies, tests offered, test dates, fees and payment policies, identification (ID) requirements, test center procedures and score reporting information is available in the *TOEFL Essentials Information Bulletin* and on the *TOEFL*[®] website at www.ets.org/toefl. It is recommended you review this information prior to requesting accommodations.

To submit your accommodations request online, you will need to create an ETS account at www.ets.org/mytoefl. In your ETS account you may upload documentation and indicate your preferred test date. You may also view your approved accommodations and test appointments. In addition, if you are approved for extended test time, extra breaks, screen magnification, and/or selectable background and foreground colors, you may also self-schedule your test online through your ETS account. If you are requesting and are approved for accommodations, other than the four listed above, you cannot schedule your test online. Your approval letter will provide instructions for scheduling your test, as well as information about practice tests. We strongly encourage you to use these practice tests so that you are fully aware of the kinds of interactions you will encounter in the actual test.

Using Previously Approved Accommodations

If you were previously approved for accommodations on a *TOEFL*[®] *Essentials*[™] test, review your approval letter to determine if your accommodations approval is still current. If your accommodations have not expired, you may register following the directions on your letter.

If you have received accommodations from ETS for another test (for example, the GRE, or TOEFL iBT), and your documentation is still current, you may request the same accommodations for a *TOEFL Essentials* test during the 2022–23 testing year without providing disability documentation. The accommodations ETS previously approved for you will be approved again if they are appropriate for the current test.

Pre-approved Personal Items

Certain items are allowed in the testing area without prior approval. These include, but are not limited to, bandages, spinal cord stimulators, foot stool, lumbar support cushion, service animals and hearing aids/cochlear implant. However, if your hearing aids or cochlear implant have Bluetooth capabilities, accommodations must be requested. The full list of pre-approved personal items for at-home testing is available at www.ets.org/disabilities/prometric.

If you wear an insulin pump, you do not need to request accommodations unless your pump consists of two pieces (the pump which is attached to your body plus the transmitter used to program the pump). A continuous glucose monitor attached to your pump does not require prior approval; however, if you wish to have your glucose test kit in the testing area, you must request accommodations.

HOW TO REQUEST ACCOMMODATIONS

Steps to Request Accommodations

To request accommodations for a TOEFL Essentials test, follow the steps below:

1. Complete the *Testing Accommodations Request Form*.
2. Complete the *TOEFL Essentials Registration Form for Test Takers with Disabilities or Health-related Needs* (if not submitting your materials online).
3. Gather your disability documentation.
4. Submit completed forms.

Detailed information regarding each of these steps is provided in this *Supplement*.

STEP 1: COMPLETE THE TESTING ACCOMMODATIONS REQUEST FORM

Complete the Testing Accommodations Request Form on pages 10–21 in this *Supplement* or access and complete the form in your ETS account at www.ets.org/mytoefl.

Part I — Applicant Information

Complete this section and sign the Applicant’s Verification Statement even if you are requesting accommodations identical to those approved for you by ETS within the last two years.

Part II — Accommodations Requested

Complete this section even if you are requesting accommodations identical to those approved for you by ETS within the last two years. If you are requesting accommodations other than those listed in Part II, you must describe them under “Other Accommodations.”

Accommodations for Health-Related Needs

Health-related needs are most commonly those affecting digestion, immune function, respiration, circulation, endocrine functions, etc., and frequently require only minor accommodations.

Documented health needs include conditions such as diabetes, Crohn’s disease and chronic pain. Minor accommodations include but are not limited to: extra breaks for medication, snacks, beverages or glucose testing materials which are necessary during the test session.

Documentation for health-related needs should include a letter of support from a medical doctor or other qualified professional stating the nature of the condition and the rationale for the requested accommodation(s). Please note, handwritten documentation or a note on a prescription pad is not acceptable.

Commonly Requested Accommodations

- **Extended Test Time (all tests are timed)**
 - 25 percent (time and one-quarter) or 50 percent (time and one-half) or 100 percent (double time)
- **Breaks** — The testing clock stops for breaks and does not affect your testing time. Breaks may be used for medication, snacks, trips to the restroom, etc. Some disabilities, by their nature, result in fatigue, the need for rest, and/or restroom breaks while not impacting the actual test taking. In these cases, breaks may be more appropriate than extended test time.
- **Computer Display Adjustments**
 - Screen Magnification
 - Selectable Background and Foreground Colors
- **Omitted Sections** (only for applicants who are deaf or hard-of-hearing or have speech-related disabilities)
 - Listening and Speaking section (only applicants who are deaf or hard-of-hearing)
 - Speaking section (only applicants who are deaf or hard-of-hearing or have speech-related disabilities)

Part III — Certification of Eligibility: Accommodations History

All applicants are encouraged to submit *Part III — Certification of Eligibility: Accommodations History* form which serves two distinct purposes:

- To provide verification of an individual's use of accommodations either in college or in the workplace
- As a shortcut for approval of certain specific accommodations for particular disabilities

Step 2: Complete TOEFL Essentials Registration Form for Test Takers with Disabilities or Health-related Needs (if not submitting your materials online)

If you plan to submit your materials to ETS Disability Services by email or mail instead of online, complete the *TOEFL Essentials Registration Form for Test Takers with Disabilities or Health-related Needs* form on pages 22–25 in this *Supplement*.

Step 3: Gather Your Disability Documentation

You must submit disability documentation if any of the following are true:

- You are requesting accommodations greater than 50 percent extended test time (time and one-half) and/or breaks.
- You indicate in Part I of the *Testing Accommodations Request Form* you have a medical condition, or you check “Other” under “Nature of your disability.”
- You were first diagnosed with a disability within the past 12 months.
- You are requesting accommodations different from those ETS approved for you within the last two years.
- You have not previously used the accommodations being requested.
- You have a sensory disability and your accommodations request does NOT match the specifications which follow below.
- You are unable to submit a valid Part III — *Certification of Eligibility: Accommodations History* form.

DO NOT send documentation if you are not required to do so. Submitting unrequired documentation will delay the review process. An Individualized Education Program (IEP) or 504 Plan which provides a history of disability and accommodations use may be helpful; however, an IEP or 504 Plan alone is not sufficient information for accommodation decision making. **For more information regarding documentation guidelines, please visit www.ets.org/disabilities.**

If you are blind or legally blind, you do NOT need to submit documentation if you are submitting a *Certification of Eligibility: Accommodations History* form and are requesting only accommodations from the list below.

- Screen magnification
- Selectable background and foreground colors
- 50 percent extended test time (time and one-half) or less
- Breaks

If you have low vision or some other condition which affects visual functioning, such as an eye coordination disorder, refer to the “Guidelines for Documentation of Blindness and Low Vision in Adolescents and Adults” online at <https://www.ets.org/disabilities/documentation/> and submit your documentation.

If you are deaf or hard-of-hearing, you do NOT need to submit documentation if you are submitting a *Part III — Certification of Eligibility: Accommodations History* form and are requesting only accommodations from the list below.

- 50 percent extended test time (time and one-half) or less
- Breaks

Step 4: Submit Your Completed Forms and Documentation to ETS Disability Services

Requests for testing accommodations may be submitted online or via email, mail or courier service. We strongly encourage using the convenient online registration system. Be sure to include the appropriate documents with your submission. An incomplete application will cause a delay in processing your request.

Submitting Your Material Online in Your ETS Account

You may submit materials online through your ETS account at www.ets.org/mytoefl. Once signed in, select “Accommodation Status/New Request” under the “Test Takers with Disabilities or Health-related Needs” section on the home page and follow the instructions.

Submitting Your Material by Email

Be sure to attach the following items with your email message:

- Completed *Testing Accommodations Request Form*
- Completed *TOEFL Essentials Registration Form for Test Takers with Disabilities or Health-related Needs*
- Disability documentation (if required)

Requests for accommodations should be sent to disability.reg@ets.org.

Please note: Do not include credit card information with your email or mail (payment is needed at time of scheduling). Once your application has been received at ETS, you will receive an email with instructions regarding payment options.

Submitting Your Material by Mail or Courier Service

Be sure to include the following with your request:

- Completed *Testing Accommodations Request Form*
- Completed *TOEFL Essentials Registration Form for Test Takers with Disabilities or Health-related Needs*
- Disability documentation (if required)

Mail your material to the appropriate address below.

REQUESTS TO CHANGE OR CANCEL TESTS

If you need to reschedule or cancel your test appointment, you must do so at least 4 days before your test date. For example, if your test appointment is on Saturday, you must reschedule or cancel by Tuesday. If we don't receive your request at least 4 days in advance, your test fee won't be refunded. Proctors can't make schedule changes for you. To reschedule your test, you must provide:

- your appointment number
- the exact name you used when you registered
- the fee for rescheduling is US\$30. The fee must be paid before you can register for a new test date.
- If you are testing in the U.S., U.S. Virgin Islands, Puerto Rico or Canada, you can use the online registration system, or call +1-443-751-4862 or 1-800-GO-TOEFL (1-800-468-6335) to reschedule or cancel your test.
- If you are testing at any location outside the U.S., U.S. Virgin Islands, Puerto Rico or Canada, you can use the online registration system or call the appropriate Regional Registration Center (RRC) to reschedule or cancel your test appointment. Go to www.ets.org/toefl/essentials/contact to see contact information for your local RRC.
- Test appointments can't be rescheduled or cancelled by regular mail or email.

If you need to cancel or reschedule an alternate test format, contact ETS Disability Services.

Policies for rescheduling or canceling your test appointment can be found on the TOEFL Essentials website at www.ets.org/toefl-essentials/test-takers/policies-procedures/rescheduling-canceling-refunds.

TEST PREPARATION

For test preparation information, go to “Prepare for the Test” at www.ets.org/toefl/test-takers/ibt/prepare

Practice tests are available and support the following experiences: General Experience, Screen Reader Accommodation, and Transcript and Closed Captioning Accommodation. We strongly encourage you to use these practice tests so that you are fully aware of the kinds of interactions you will encounter in the actual test.

If you need preparation materials in an alternate format, please contact ETS Disability Services. See page 4 of this supplement for contact information.

Test takers are advised to consult ETS's general “Tips for Test Takers with Disabilities,” which is available at www.ets.org/disabilities/tips. These tips are not specific to TOEFL Essentials, but may still be helpful for your preparation.

SCORING AND REPORTING

If the Listening section is omitted for an applicant who is deaf or hard-of-hearing, no Listening section score or total score will be reported. If the Speaking section is omitted for an applicant who is deaf or hard-of-hearing, or for an applicant with a speech-related disability, no Speaking section score or total score will be reported. Only scores for the sections that are taken will be reported. The score report will indicate that the section or sections were not taken by the test taker. No other information will be provided.

Test takers who are blind can contact ETS Disability Services by phone for their test scores. See page 4 for contact information.
