

See Their Best With MyBest® Scores

A growing number of institutions are acknowledging the value of seeing applicants' best section scores across multiple test dates, when making important decisions about English proficiency.

Only TOEFL® offers MyBest® scores — the combination of an applicant's highest section scores from all valid TOEFL iBT® or TOEFL® Essentials™ tests.

VALID AND FAIR

Research from the testing experts at ETS shows that MyBest scores and test-date scores are both valid measures of English proficiency.

WIDEN YOUR APPLICANT POOL

MyBest scores help you accept more qualified applicants, because you're letting students show their best overall performance while still meeting your score requirements.

EASY TO USE

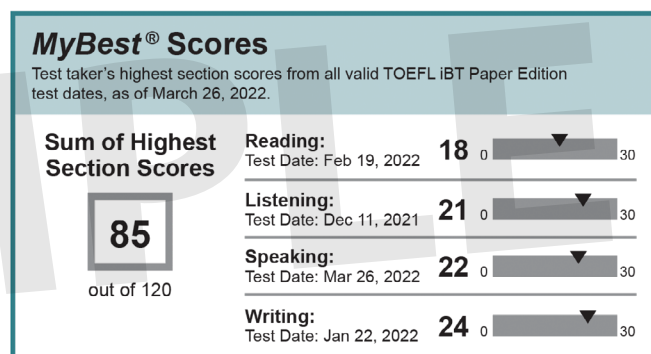

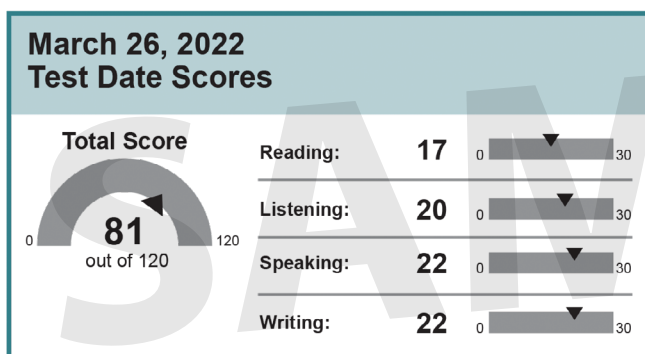

MyBest scores are automatically included on all score reports, along with scores from a single test date. There's no need to change your score requirements.

IT'S YOUR CHOICE

It's up to you whether to accept MyBest scores, based on your institution's needs and goals. Be sure to clarify your policy on your institution's website.
