Subject: Survey about jobs

Hello,

Thank you for agreeing to answer some questions I have for an article I'm writing about jobs and work.

First, at what age do people in your country usually begin to work, and at what age do they typically retire?

Also, what types of training or education do you think people will need to get well-paid jobs in the future? Why?

Thank you in advance for your comments.

Pamela Sorani

For more than 45 years as an industry leader, the TOEIC® program has set the global standard for assessing English-language communication skills needed in the workplace. With about seven million tests administered every year, the TOEIC tests are the most widely used around the world, with 14,000+ organizations across more than 160 countries trusting TOEIC scores to inform the decisions that matter.
