Partner with us to enhance your EdTech, education and workforce products or services.

More than 30 solutions in our intellectual property (IP) catalogue are available for license and globally supported by flexible terms.

Here is the entire ETS Catalogue of content and tools.

**c-rater™ engine**
Provides a robust solution to scoring and feedback that uses machine learning to evaluate the content of a response, even if it contains grammatical or style errors.

**Categories:** Tools

---

**Criterion® Online Writing Evaluation Service**
A web-based, instructor-led writing tool that helps students plan, write and revise their essays.

**Categories:** Tools

---

**Educator Ethics**
An online, self-paced professional development program aligned to the Model Code of Ethics for Educators to help educators balance caring for students with maintaining proper professional distance.

**Categories:** Tools

---

**e-rater® Automated Scoring and Feedback Engine**
Automatically scores essays and provides feedback on writing using a model built on the theory of writing to assess both analytical and independent writing skills.

**Categories:** Tools
**EXADEP™ test**
Used by institutions to evaluate test takers for admission to their graduate programs taught in Spanish, this test measures verbal aptitude, mathematics, analytical reasoning, written expression and English as a foreign language.

**Categories:** Content

---

**GRE® Math Conventions**
Helps test takers learn more about mathematical assumptions particular to the GRE General Test, including notation, terminology and guidelines for interpreting and using information given in test questions.

**Categories:** Content

---

**GRE Math Review**
A refresher for basic math skills, this 100-page review covers the concepts in the GRE General Test and includes definitions, properties, examples and a set of exercises with answers at the end of each section.

**Categories:** Content

---

**GRE test content**
Items include deconstructed test forms, questions, prompts, keys and scored sample essay responses used on the GRE General Test.

**Categories:** Content

---

**PlanWise™**
Meets teachers where they are and provides professional learning during the moments of lesson planning. The tool is a Chrome™ Extension that suggests formative assessment practices and strategies, which teachers can implement right away.

**Categories:** Tools
**Praxis® tests**
Measure a test taker’s knowledge and skills for teacher licensure and certification. The tests include content to measure academic skills in reading, writing and mathematics, as well as subject-specific and specialized content knowledge for teaching.

**Categories:** Content

---

**ReadAuthentix**
A scenario-based assessment of advanced reading comprehension that provides a realistic purpose for reading texts and completing assessment tasks.

**Categories:** Tools

---

**ReadBasix™ Reading Diagnostic**
A diagnostic reading assessment measuring foundational skills such as decoding, vocabulary and reading comprehension. Can be used to tailor reading instruction and to measure improvement of foundational skills over time.

**Categories:** Tools

---

**ReadGPS®**
A suite of reading comprehension assessments for grade 3–12 students, including ReadAuthentix®, ReadBasix® Reading Diagnostic and ReadRoutix.

**Categories:** Tools

---

**ReadRoutix**
A short, computer-delivered reading assessment designed to help teachers identify the most beneficial next assessment step for students, whether that be focused on foundational or higher-level skills.

**Categories:** Tools
Relay Reader™ app
Designed to support developing readers, this app allows users to take turns reading books out loud with a skilled virtual partner, just like in a relay. They can record themselves and reflect on how they sound.

**Categories:** Tools

---

ScoreItNow!™ Online Writing Practice
This web-based service helps users prepare for the GRE General Test Analytical Writing measure by allowing them to write and submit responses to two essay topics and get immediate scores and feedback.

**Categories:** Content

---

SpeechRater® service
Support learning with fast, accurate scores and valuable feedback. The service uses speech recognition and analysis technology to assess and provide feedback on pronunciation, fluency, vocabulary and grammar.

**Categories:** Tools

---

Teaching Academic English (TAE) with the TOEFL iBT® Test
Supports teachers around the world who teach academic English as a foreign language. TOEFL iBT questions are referenced throughout the training modules and workshop.

**Categories:** Tools

---

The ETS Assessment Literacy Modules
Includes 10 modules made up of readings, video and audio content, tasks and reflections. Teachers examine components of a balanced assessment system and engage in a systematic review of six important assessment types.

**Categories:** Tools
TOEFL Go!® official app
Offers users scored practice tests for all four sections and tips for success on the test.

**Categories:** Tools

TOEFL iBT test content
Measure academic English skills the way they are used in the classroom. Content is provided at the item level for reading, speaking and writing skills.

**Categories:** Content

TOEFL ITP® Assessment Series
Offers colleges and universities, English-language programs and other organizations the opportunity to administer a convenient, affordable and reliable assessment of English-language skills.

**Categories:** Tools

TOEFL Junior® Tests
Designed for students ages 11+, the TOEFL Junior tests are an objective, reliable measure of a student's English communication skills that helps educators guide them to meet their full potential.

**Categories:** Content

TOEFL Massive Open Online Course (MOOC)
A 6-week online test prep course for the TOEFL iBT test, MOOC is a combination of text-based lessons, short video lectures, quizzes and sample questions from past tests.

**Categories:** Tools
TOEFL® Official Prep Course (OTPC)
A self-paced course that builds skills needed to communicate in English in an academic environment. OTPC provides lessons and activities across four skills, pre- and post-tests, and score ranges for the Speaking and Writing post-tests using the same automated scoring as the actual TOEFL iBT test.

Categories: Tools

TOEFL Practice Online
Offers test takers a chance to prepare using retired items. Available with all four skills, two skills only (Reading and Listening, or Speaking and Writing) or Speaking only.

Categories: Tools

TOEFL Primary® Tests
Designed for students ages 8+, the TOEFL Primary tests measure the English communication skills that provide a foundation for students' future success and help educators shape students' instruction.

Categories: Content

TOEFL ProPlacer® assessment
Designed for use as a placement test, this assessment measures listening and reading skills to identify the course level at which students should be placed.

Categories: Tools

TOEFL Young Students Series English Learning Center
Offers interactive online activities through a subscription-based program to help students improve proficiency with their teacher's help and guidance.

Categories: Tools
**WorkFORCE® Assessment for Career Development**
A web-based, forced-choice assessment designed to measure how an individual's natural preferences and tendencies translate to skills and behaviors essential to workplace readiness, training and career success.

**Categories:** Tools

---

**WorkFORCE Training for Career Development**
A research-based, dynamic program that provides instruction, practice and feedback on the skills measured in the WorkFORCE Assessment for Career Development. The interactive online learning experience can be self-paced or supported by offline activities and dialogue with managers, mentors or counselors.
