This also includes our use of biometric data (including fingerprints, audio recordings, facial images and video files) provided by you in the course of your registering for and participating in the Testing Services. All of the above data is referred to as "Personal Information." Which Personal Information we hold, how we use it and how long we hold it for may be subject to legal limitations in the jurisdiction in which you receive the Testing Services. ETS strives to meet these legal requirements, and further information on how we do so is provided below.

- complete any registration, purchases or other transactions you request
- improve our products and services, and identify, develop and offer new or expanded products and services
- improve and personalize your experience on the website, and customize the content and/or format of the pages you visit
- subject to your opting-in (see below), notify you about updates, products, services and/or special offers from ETS, its affiliates and selected third parties

If you agree (or have agreed) under other agreements with ETS that we may use your Personal Information in additional ways, those other agreements will not be limited by this separate Acknowledgment.

International Transfer

ETS, its website, and its servers are located in the United States. Therefore, your information, including Personal Information, will be transferred from your location to the United States in accordance with applicable laws. It may also be transferred directly from your location or via the U.S. to other countries who provide processing services to ETS, all at the direction of ETS and in accordance with applicable laws. In accepting this Acknowledgment, you are agreeing to cross-border transfers of your information, including your Personal Information. If you do not agree to these cross-border transfers, then you should refrain from using the website. You may have a right under applicable law to revoke your consent to the international transfer of your Personal Information. If you do so, we are unlikely to be able to continue providing the Testing Services to you.

Third Party Disclosure

We communicate your Personal Information to certain third parties, within the jurisdiction of your location and elsewhere, with whom we have a direct or indirect business or contract relationship in order to provide you with the Testing Services you have requested. These third parties assist with various aspects of the delivery of the Testing Services, including security services and score distribution services.

Your Rights

In some instances, under applicable laws, you have the right to withdraw your consent and require us to delete your Personal Information should the lawful purposes for which we hold it cease. You may also request that we correct your Personal Information if it is incorrect, inaccurate, misleading or incomplete. To protect your privacy and security, we will take reasonable steps to verify your identity before granting access or making corrections.

Further Communications

We ask you to provide your contact details, including email address, telephone and mobile phone details. We use this information so that we can quickly provide you with information (principally by way of email, telephone, SMS or other electronic means) regarding the Testing Services you have requested and to provide you with information about other testing products and services (which we will do in accordance with applicable laws). When you receive communications from us about other testing products and services, you will have the opportunity of subsequently opting-out of receiving these, and our communications will contain instructions on how to do so. Remember, however, that we may still send emails or call you in order to provide the Testing Services you have purchased or otherwise requested from us.

Governing Law

You agree that this Acknowledgment will be governed by and construed in accordance with the laws of the United States and the State of New Jersey, without regard to principles of conflict of laws.

Additional Information

This paragraph containing additional information is of *general application*, but it is also provided for purposes of the *EU General Data Protection Regulation* when it comes into force (to the extent the Regulation is applicable to you in the context of the Testing Services):

ETS Corporate Details (including contact details): Educational Testing Service, 660 Rosedale Road, Princeton, NJ 08541, USA; email: etsinfo@ets.org.

Purpose and Legal Basis for Processing: To provide tests and testing services as requested, including processing for the administration of tests, such as marking and score reporting to test takers and nominated score recipients.

Legitimate Interests relied upon: ETS requires your Personal Information for purposes of administering educational tests and providing these tests in a secure manner so that test takers receive accurate results and test qualifications are recognized by intended score recipients.

International Transfers: Data will be transferred to data processors engaged by ETS in various jurisdictions outside of the EEA, depending on the particular Testing Services requested. These transfers are made in accordance with the acknowledgment you have given above and intercompany and third-party transfer agreements, in accordance with applicable laws.

Personal Information Retention: Personal Information is generally held for five years from the date of its submission. This period may be extended by ETS if the score for the Testing Service you require remains valid for a longer period (which information is usually contained in your testing result information), if the Testing Service you have requested is being reviewed or if our legitimate interest in retaining your Personal Information remains in place. It also may be shorter if we no longer require your Personal Information (for example, if you have expressed interest in a test but have not taken one). You may contact us at etsinfo@ets.org if you require further information.

Data Subject Rights: In addition to the rights described above, you may have data portability rights. For security reasons, most testing organizations will require that Personal Information be obtained directly from you and this may limit the usefulness of your data portability rights.

Supervisory Body: Please contact the national data processing authority in the jurisdiction in which you receive the Testing Services.

For Hong Kong residents only: Subject to applicable laws regarding our use of your Personal Information, we will not use your Personal Information if we do not reasonably believe that such use is in your interests. In order for us to supply you with the Testing Services, you must supply us with your Personal Information to complete any registration, purchase or other transaction you request online and/or perform any of our other contractual obligations to you which requires us to have the Personal Information.

ACKNOWLEDGMENT (continued)

For Australian residents only: Please be informed that if you agree to the overseas disclosure of the information or transfer of your data outside of Australia, ETS and its affiliates will not be required to take reasonable steps to ensure that ETS or its affiliates' use of such data outside of Australia does not breach the Australian Privacy Principles.

For Canadian residents only: This is the notification that ETS is required to provide to Canadian residents. Please see above regarding International Data Transfers. Where we transfer Personal Data to third parties we contractually require third parties to have written procedures in place that comply with the requirements of the applicable privacy laws in Canada.

For Singapore residents only: In connection with the transfer of your Personal Information outside of Singapore, ETS believes that the laws of the recipient country of your Personal Information will provide a standard of protection comparable to the applicable laws of Singapore.

If you have questions or requests concerning our use of your Personal Information, you should contact: etsinfo@ets.org.

By indicating "Accept," you expressly and voluntarily acknowledge and agree to the terms and conditions above, particularly those relating to our use of biometric data and the international transfer of Personal Information.
