

Praxis® Learning Paths™ Program

Helping aspiring teachers chart a course for success

Introducing the Praxis® Learning Paths™ program, a new way to equip prospective teachers with the content knowledge and skills they need to succeed in their teaching practice.

This self-paced, online and adaptive program enables:

- **educator preparation programs** to supplement their curriculum with individualized, asynchronous learning
- **alternative route programs** to help aspiring teachers build skills and learn the content assessed by Praxis tests
- **school districts** to encourage provisional hires, paraprofessionals and prospective teachers for test day and beyond

Available Courses

The following courses are available to help candidates prepare for the Praxis Elementary Education: Multiple Subjects tests (5001), the Elementary Education: Three Subject Bundle tests (5901) and the Elementary Education: Content Knowledge test (5018).

Elementary
Mathematics

Elementary Reading
and Language Arts

Elementary
Social Studies

Elementary
Science

Each course includes:

- a diagnostic to help identify strengths and areas for focus
- interactive lessons with hundreds of authentic practice questions, immediate feedback, step-by-step explanations, glossary definitions, flashcards and videos
- skill checks, unit tests and two full-length practice tests
- a dynamic dashboard and personalized learning maps
- a one-on-one coaching option for targeted instruction (for Elementary Mathematics course only)
