TOEFL Primary® and TOEFL Junior® professional development offerings

ETS offers three types of professional development for TOEFL Primary and TOEFL Junior: **Webinars**, **Teacher Workshops** and a **Train-the-Trainer Workshop**.

Webinars

Schedule a webinar or discuss a topic:
toeflysstesting@ets.org

Strengthen your English-language teaching and assessment practices with professional development webinars connected to TOEFL Primary and TOEFL Junior assessments. Learn how to interpret assessment insights, apply them in the classroom and use TOEFL resources to support student progress.

Webinars range from 45–90 minutes and can be delivered virtually or in person. Have a topic in mind? The TOEFL team can also develop a webinar tailored to your needs.

WEBINAR 1

The test development process at ETS

Explore how ETS develops high-quality assessments, from defining a test's purpose and designing tasks to piloting questions and analyzing results. Learn how validity, reliability and fairness are considered throughout the process.

LENGTH	FORMAT
90 minutes	Presentation + Q&A

WEBINAR 2

Teaching pronunciation

Learn a step-by-step approach and practical strategies for identifying and addressing pronunciation challenges in the young learner classroom. Explore techniques for analyzing errors, building student awareness and designing targeted activities to improve intelligibility.

LENGTH	FORMAT
45 minutes	Presentation + Q&A

WEBINAR 3

Using TOEFL Junior speaking to inform teaching

Discover how TOEFL Junior Speaking results can help inform classroom instruction. Explore score reports, proficiency descriptors and sample responses to identify learner needs and support students' speaking development.

LENGTH	FORMAT
45 minutes	Presentation + Q&A

WEBINAR 4

Crafting & evaluating multiple-choice questions for young English learners

Learn the essentials of creating effective multiple-choice questions for young English learners. Explore common pitfalls, evaluate real examples and discover how generative AI tools can support question development.

LENGTH	FORMAT
60 minutes	Presentation + Q&A

WEBINAR 5

Assessment for learning

Explore practical Assessment for Learning strategies that encourage meaningful communication and support student progress. Learn how to create effective classroom activities, set measurable learning goals and apply these principles to lesson planning.

LENGTH	FORMAT
90 minutes	Interactive session

Teacher workshops

TOEFL Primary and TOEFL Junior Teacher Workshops help educators develop high-quality, research-based learning experiences for young English-language learners. The workshops familiarize teachers with the TOEFL Primary and TOEFL Junior tests, help them identify teaching and learning needs and provide practical instructional and assessment strategies to support student progress. Workshops can be delivered in person or virtually by ETS-approved local instructors.

toefl primary

TOEFL Primary Teacher Workshop

Build practical skills for creating a comfortable, communicative classroom for young English-language learners. Explore formative assessment, feedback, speaking evaluation, lesson planning and effective classroom activities.

Approximately 8 hours over 3 sessions | In person or virtual

toefl junior

TOEFL Junior Teacher Workshop

Connect TOEFL Junior assessment content with effective classroom instruction. Develop practical skills in needs analysis, speaking and writing evaluation, vocabulary instruction, monitoring student progress, rubric development and lesson planning.

Approximately 8 hours over 3 sessions | In person or virtual

Schedule a workshop

Contact your local ETS Preferred Network office for more information about scheduling a TOEFL Primary or TOEFL Junior Teacher Workshop for your school.
ets.org/epn_directory

Train-the-Trainer Workshop

The Train-the-Trainer Workshop prepares qualified educators to become **ETS-approved local instructors** who can independently deliver TOEFL Primary and TOEFL Junior Teacher Workshops in their regions.

The program combines **weekly virtual sessions and self-paced learning over approximately three months.** Upon successful completion, approved instructors can work with their local EPN member to provide workshops for teachers and schools.
