

Performance Assessment for School Leaders (PASL)

Task 1: Problem Solving in the Field

Overview

Required Submission

The required submission information for Task 1 is summarized below. You will see the steps included in the task as well as the evidence that you will be required to submit. The full task requirements and rubric are provided as separate documents on the [Performance Assessment for School Leaders website](#). Notice that the tasks and their corresponding materials have been color-coded to make it easier for you to organize your task materials.

Steps	Evidence
Step 1: Identifying a Problem/Challenge	Your ability to identify a significant problem/challenge.
Step 2: Researching and Developing a Plan	Your ability to develop a plan to address a significant problem/challenge.
Step 3: Implementing the Plan	Your ability to implement and then analyze the effectiveness of the plan.
Step 4: Reflecting on the Plan and the Resolution	Your ability to reflect on the effectiveness of the plan.

Submission:

Written commentary of no more than **25,500 characters** (approximately **8 typed pages**) that responds to the four steps using the provided textboxes.

Seven artifacts of no more than **8 pages** that support responses to the guiding prompts and provide evidence of developing, researching, implementing, and reflecting on a plan to address a significant problem/challenge.
