

PPAT® Assessment

Task 1: Instructional and Support Resources Chart

A wide range of services and resources are available within a school system to support instruction. This chart allows you to become familiar with what is available to you within your teaching context. Complete the chart by listing available instructional materials and resources.

You must link this document as an artifact in your response to Textbox 1.1.2.

Type of Resource	One Example and Its Source (e.g., counseling office, curriculum guide, team leader)
Community	
Building/District Policies or Programs	
Support Staff	
Instructional Materials	

Type of Resource	One Example and Its Source (e.g., counseling office, curriculum guide, team leader)
