Attending Institution/  
Recipient Codes

Use the following codes to select your **Attending Institution** and **Designated Score Recipients** when you register. These codes are for candidates taking the Audiology or Speech-Language Pathology tests. The **Attending Institution** section requires codes preceded by an A or the institution(s) where you received training relevant to the test. The **Designated Score Recipients** section requires codes preceded by an R for the institution(s) where you want your score report sent. RA codes may be used in either section. For each state, state departments and agencies are listed first and bolded, followed by speech-language pathology and audiology departments of colleges and universities. Codes are added and revised throughout the year. If you cannot find a code you are looking for, please contact Customer Service to see if one was assigned after our web publication date.
