

# Your teaching career starts now

## Learn how to get ready for the *Praxis*® tests

Years of schooling gave you the knowledge and skills needed to begin a career in teaching. Demonstrate your ability by taking one of the *Praxis*® tests.

### Get started

Determine which *Praxis* tests you'll need to take and where you can take them. Each state sets its own testing requirements, so be sure to check for each state you plan to become certified in at [www.ets.org/praxis/states](http://www.ets.org/praxis/states).

### Register

Online registration is simple. Once you create your My *Praxis* Account profile and select your test, you can:

- search for a test center by ZIP code or state for the test location closest to you
- check seat availability in real time
- select your four free score recipients prior to test day

Find out more at [www.ets.org/praxis/register](http://www.ets.org/praxis/register).

### Prepare

Our free and fee-based *Praxis* test prep resources will help you feel confident on test day. Visit [www.ets.org/praxis/testprep](http://www.ets.org/praxis/testprep) to find the prep materials you need.

### Scores

Sign in to your My *Praxis* Account to access your scores as soon as they're available. Your scores will be available online for one year from the score reporting date, but may be requested for up to 10 years for a fee. More information on test scores can be found at [www.ets.org/praxis/scores](http://www.ets.org/praxis/scores).

### Prepare for your *Praxis* test

- **Khan Academy® Official *Praxis*® Core Prep** — a new, free online resource that will help you build the reading, writing and mathematics skills you need to succeed on the *Praxis* Core tests.

This free resource offers diagnostic tests to better understand your strengths and weaknesses, instructional videos, personalized study plans, full-length tests and interactive sample questions. Learn more at [www.khanacademy.org/praxis-core](http://www.khanacademy.org/praxis-core)

- **Study Companions** — free comprehensive overviews for each test, including detailed study topics and test descriptions, sample questions with answers and explanations, and general tips and information about the *Praxis* tests
- **Interactive Practice Tests** — online, timed full-length practice tests that provide correct answers and explanations
- **Test Prep Webinars** — deliver in-depth information about *Praxis* test preparation. You'll receive a comprehensive overview of preparation along with demonstrations about what to expect on test day. Each live session provides attendees with the opportunity to interact and ask questions, so we encourage you to participate.
