TEST TAKERS WITH DISABILITIES OR HEALTH-RELATED NEEDS

ETS is committed to serving test takers with disabilities or health-related needs by providing accommodations that are reasonable and appropriate given the purpose of the test. Testing accommodations, such as braille or large-print test materials, extended testing time, or sign language interpreter for spoken directions only, are available for test takers with disabilities who meet ETS requirements. For additional information on eligibility and the types of accommodations offered, please refer to the Bulletin Supplement (see below).

If you are requesting testing accommodations, you must register through ETS Disability Services and have your accommodations approved before scheduling your test. See the Bulletin Supplement for Test Takers with Disabilities or Health-Related Needs (www.ets.org/sls/disabilities) for detailed instructions.

IMPORTANT NOTE TO PRAXIS/SLS TEST TAKERS: You can complete many of the steps required for requesting accommodations and registering for an SLS test through your ETS account portal, available at www.ets.org/sls. Specifically, you can submit accommodation requests, view approved accommodations, and view test appointments through your ETS account. Additionally, if you are approved for certain accommodations (extended time; extended breaks; screen magnification; and/or selectable foreground and background colors), you may also self-schedule your test through your ETS account. If you are seeking one or more accommodations besides the four listed above, you can also indicate your preferred SLS test date and location online through your ETS account. To begin the accommodation process, create or log in to your Praxis/SLS account, click on “Praxis Accommodation Status/New Request” under the “Test Takers with Disabilities or Health-Related Needs” section on the home page, and follow the instructions.

The 2018–19 Bulletin Supplement for Test Takers with Disabilities or Health-Related Needs contains information on eligibility, a list of some of the accommodations ETS most frequently approves and provides, contact information, procedures for requesting testing accommodations, and forms. The Supplement should be used in conjunction with the information in this Bulletin and Test Authorization Voucher Request Form on page 16 of this Bulletin. To download a copy of the Supplement, visit www.ets.org/sls/disabilities. Disability documentation guidelines and forms are available on the ETS website at www.ets.org/disabilities/documentation.

To request a large-print copy of this Bulletin and the 2019–20 Bulletin Supplement for Test Takers with Disabilities or Health-Related Needs, contact ETS Disability Services. See ETS Disability Services on page 5.

THE SCHOOL LEADERSHIP SERIES AT A GLANCE (continued)

- Possession of or use of any phones, tablets, wearable technology, and other electronic, recording, listening, scanning, or photographic devices is strictly prohibited in the test center at all times and will result in your dismissal from the test, forfeiture of your test fees, and cancellation of scores by ETS even if dismissal is not enforced on the day of the test. This includes, but is not limited to, accessing the device for any reason, including checking the time, making calls, checking for messages or any other reason at any time during the test administration, including scheduled, optional, or unscheduled breaks.

- Watches are not allowed in the test room. If you bring a watch to the test center, you will be asked to remove the watch and store it during the administration.

ABOUT THE SCHOOL LEADERSHIP SERIES ASSESSMENTS

The School Leadership Series consists of three assessments — the School Leaders Licensure Assessment, the Kentucky Specialty Test of Instructional and Administrative Practices, and the School Superintendent Assessment. The Kentucky Specialty Test of Instructional and Administrative Practices is given by computer continuously throughout the year. The School Leaders Licensure Assessment and the School Superintendent Assessment are delivered by computer and are offered during multiple testing windows throughout the year. These tests were developed to provide a thorough, fair, and carefully validated assessment for states to use as part of the licensure process for principals, superintendents, and school leaders. These tests reflect the most current research and professional judgment and experience of educators across the country, and they are based on both a national job analysis study and a set of standards for school leaders identified by the Interstate School Leaders Licensure Consortium (ISLLC).

Please note: the School Leadership Series exams are administered in English only.

Testing Requirements

Each state agency that uses a School Leadership Series assessment determines its assessment needs for principals, superintendents, and other school leaders based on legislated requirements and/or state policy. Typically, the agency assembles a panel of principals, superintendents, other school leaders, and educational administration professors as appropriate to review the test specifications and make an initial determination of whether the assessment is appropriate for meeting that agency’s goals. The test is then reviewed and validated for that state. If you are not sure you have the latest information regarding state licensing requirements, check with the Department of Education or Educational Licensure Board in the state where you plan to work.

Passing Scores

Each state choosing to use School Leadership Series assessments as part of the requirements for licensure of principals, superintendents, or other school leaders will determine a “passing” score that the state will apply to all test takers who wish to obtain a license.

To set a passing score, states must abide by rigorous industry standards to ensure that the score is appropriate and fair. The score is set by a panel of approximately 14 experts — most of whom are either principals, superintendents, or other school leaders — from diverse school backgrounds.

The panel reviews numerous examples of test takers’ responses over the course of two days and works collaboratively to arrive at an appropriate passing score. The final decision is informed by the vision of school leadership embodied in the ISLLC Standards, as well as an awareness of the impact selection of various passing scores will have on the passing rate of the test taker population.

REGISTRATION INFORMATION

Note: Some states require a Social Security number (SSN) to process certification paperwork. Check your state’s requirements at www.ets.org/sls/states to see if your state requires a SSN with your test score reports. ETS does not require your SSN for its own purposes, but will submit it to your state agency with your test results. Failure to provide your SSN could delay your state’s processing of your certification application.

IF YOUR PRIMARY LANGUAGE IS NOT ENGLISH (PLNE)

Test accommodations (extended testing time) may be available for test takers whose primary language is not English. Test takers who meet ETS requirements will be allowed 50 percent additional testing time.

Once PLNE accommodations are approved, test changes and/or additions, or test center changes, are not permitted.

How to Register for PLNE

Your request must include the following:

1. A completed Certification of Documentation form (page 19). ETS has the right to request further verification, if needed, of the professional’s credentials and expertise relevant to the Certification of Documentation form. A business card or school seal or school stamp must be affixed to the Certification of Documentation Form.

2. A completed Eligibility Form for Test Takers Whose Primary Language Is Not English (page 20). It is necessary to complete this form each time you register for PLNE accommodations.

3. A completed Test Authorization Voucher Request Form and appropriate fees. All documentation must be approved before the test administration date. ETS will make every effort to evaluate all requests in a timely manner. If further verification of the professional’s credentials and expertise relevant to the documentation submitted is needed, it is possible that testing will be delayed until the next applicable test date. Because of ETS’s need to review documentation in order to provide accommodations, all test takers must register through ETS.

Check the box at the top of the form to note that you are requesting accommodations. Submit this form with the documentation listed above, and payment to the appropriate address. If you are paying with a paper check or money order, all documents must be sent together to: ETS — School Leadership Series, Box 382065, Pittsburgh, PA 15251-8065. If you prefer to provide credit/debit card information to pay, please mail all documents to: ETS — School Leadership Series, PO Box 6051, Princeton, NJ 08541-6051. Once your accommodation request is approved, ETS will contact you with a voucher number and instructions on how to register. Test appointments are scheduled based on availability, and not all tests are offered year-round. Please plan ahead and check test date availability before requesting accommodations, and allow approximately 4 weeks before your intended test date for the processing of your request.

ETS recognizes the right of individuals to confidentiality with regard to documentation supplied by and about them that may be stored in files held by ETS and the concomitant responsibility of ETS to safeguard information in its files from unauthorized disclosure.

Reregistration

If you have previously registered and your request for accommodations has been approved by ETS, you may request the same testing accommodations for subsequent test dates.

To reregister, submit a completed Eligibility Form (page 20) indicating your candidate ID number and test date for which
documentation was approved and on file at ETS. Test Authorization Voucher Request form, and appropriate fees approximately four weeks before your intended test date.

File Corrections
You may not change your name on the file. If your name has changed for any reason, including marriage or divorce, you must create a new online Praxis account providing your name exactly as it appears on the primary identification you will present on test day.

If your file contains an error, make corrections to your date of birth, Social Security number, the spelling of your name, or other information at least one day before the test administration to ensure that your scores are reported with the correct personal information. To make corrections to your: date of birth, Social Security number, or other information, sign into your Praxis account and select “Update Personal or Contact Information” in the “Manage Profile” section and make the appropriate change. To correct the spelling of your name, contact ETS at praxis@ets.org or 1-800-772-9476, and provide the information as it now exists on the file, along with the change(s) requested. If you made corrections after the test administration and need your scores resent to a score recipient, you may order an Additional Score Report (ASR) online, by mail, phone, or fax. ASRs cost $50 per score recipient (see page 14).

Registration Changes
Make Changes to Your Testing Appointment
There are two ways you can change your test center, test date or test time for a current test registration:

• log in to your SLS account and process the change online
• contact ETS at 1-800-772-9476

Note: you must make changes up to 3 days before your appointment (not including the day of your test) or your fees will be forfeited. For example, the deadline to make changes to a Friday appointment is Tuesday at 11:59 p.m. ET. ETS cannot guarantee that the testing time or test center you are now requesting will be available. There is a $40 fee for this service.

Add a Test
School Leadership Series are scheduled by appointment. To “add” a test, simply register for the new test the same way you registered for the previous test. There is no additional fee to create a new test registration.

Cancel a Test
There are three ways you can cancel a test for which you are currently registered:

• log in to your SLS account and process the change online
• Chat: https://ets.custhelp.com/app/chat/praxis/chat_launch/
• contact ETS at 1-800-772-9476

Note: you must cancel your test up to 3 days before your appointment (not including the day of your test) or your fees will be forfeited. For example, the deadline to make changes to a Friday appointment is Tuesday at 11:59 p.m. ET. If you cancel your original test by the deadline, you may be eligible for a refund of 50 percent of your test fees. Please see Test Fee Refunds, below.

Test Fee Refunds
If you are absent from or arrive late to the test administration for which you are registered, you will not be entitled to any refund. If you cancel a test up to three days before the test date (not including the day of the test), you may be eligible for a refund of 50% of your test fees. To cancel a registration:

• Log into your SLS account, or download and complete the Refund Request Form, which is downloadable from the SLS website at www.ets.org/sls/register/cancel_change.

• The request must be made online, by telephone, or the form received no later than three days before the test date (not including the day of the test).

• If you stop payment, you are responsible for the $20 processing fee.

Refunds will be in U.S. dollars. If original payment was drawn on a U.S. domestic bank, please allow 8 weeks after your canceled test date for your refund to be processed. If you paid by eCheck, please allow 9 to 10 days for your refund to be processed. If original payment was a check, please allow eight weeks after your cancellation for your refund to be processed. Payments made by credit card will be credited back to that account. Service fees are nonrefundable.

Test Retake Policy
Tests may be taken once every 21 days, not including your initial test date. If you test earlier than permitted, the scores from your retest will not be reported and your test fees will not be refunded. This applies even if you cancelled your scores on a test taken previously.

ETS Corporate Details (including contact details): Educational Testing Service, 660 Rosedale Road, Princeton, NJ 08541, USA, email: etsinfo@ets.org

Purpose and Legal Basis for Processing: To provide tests and testing services as requested, including processing for the administration of tests, such as marking and score reporting to test takers and nominated score recipients.

Legitimate Interests relied upon: ETS requires your Personal Information for purposes of administering educational tests and providing these tests in a secure manner so that test takers receive accurate results and test qualifications are recognized by intended score recipients.

These transfers are made in accordance with the acknowledgment you have given above and intercompany and third party transfer agreements, in accordance with applicable laws.

Personal Information Retention: Personal Information is generally held for 5 years from the date of its submission. This period may be extended by ETS if the score for the Testing Service you require remains valid for a longer period (which information is usually contained in your testing result information), if the Testing Service you have requested is being reviewed or if our legitimate interest in retaining your Personal Information remains in place. It also may be shorter if we no longer require your Personal Information (for example, if you have expressed interest in a test but have not taken one). You may contact us at etsinfo@ets.org if you require further information.

Data Subject Rights: In addition to the rights described above, you may have data portability rights. For security reasons, most testing organizations will require that Personal Information be obtained directly from you and this may limit the usefulness of your data portability rights.

ON TEST DAY

Identification (ID) Requirements
All test takers are responsible for bringing valid and acceptable identification each time they report to a test center. It is your responsibility to ensure that your ID documents are up-to-date and available on the day of the test. If you do not present acceptable ID, you will not be permitted to test and you will forfeit your test fee.

Your ID requirements depend on your country of citizenship and where you plan to test. Please read the specific section for acceptable primary and supplemental ID documents and allowed exceptions.

• You are responsible for ensuring that the first and last name you used to register exactly matches the name on the ID document(s) you will present at the test center.

• If your name has changed since you registered for a test, you must ensure that you have appropriate ID matching the name on your registration to show at the test center. It is recommended that you have ID in the correct name BEFORE you complete the registration process. Additionally, you must create a new online SLS account providing your name exactly as it appears on the primary identification you will present on test day. During the creation of your new account, we advise that you leave the Social Security number (SSN) field blank to avoid technical issues. After the new account is created, you will have the opportunity to enter your SSN by clicking the “Update Personal or Contact Information” link.

• If the test administrator questions the ID you present, you may be required to provide supplemental ID. If positive confirmation cannot be made, you may not be permitted to test or your test score may be withheld.

• All test takers are encouraged to bring at least two forms of acceptable ID each time they report to a test center. Prior admission to a test center based on a given ID document does not assure that that document will be considered acceptable. Test centers are not required to hold your seat if you leave the center to obtain acceptable identification.

• Admission to the test center does not assure that the ID you provided is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity either during or after the test administration. ETS reserves the right to withhold and/or cancel scores in the event that the ID requirements set forth herein are not met.

Data Retention
Educational Testing Service shall at all times protect your personal information with operational, administrative, technical and physical security safeguards. Unless your photograph or other biometric samples taken on the day of the test during the check-in or registration process are being used in connection with a security investigation, ETS shall retain them for a maximum of three years unless local regulations limit retention.

We will keep your information as required to meet the following requirements:
• Protect against fraud, theft, and misrepresentation by unauthorized test takers
• Purpose of identity verification
• Maintain integrity of the testing process

• You may be required to show your ID and/or to sign a test center log at various points throughout the test administration.
• Your test fees will not be refunded if you are not permitted to test or if your scores are withheld or canceled because of invalid or unacceptable ID.

MULTIPLE-PART LAST NAME
If the ID document you will present on the day of the test contains a multiple-part last name, your admission ticket must exactly match your ID. You cannot use a supplemental ID to resolve last name discrepancies.

ID DOCUMENT REQUIREMENTS
With few exceptions, ID documents must meet all of the following requirements. Each ID document must:
• be an original document; photocopied documents are not acceptable and documents cannot be presented on a cell phone or any other electronic device

ON TEST DAY (continued)
ON TEST DAY (continued)

- The following documents may be acceptable for admission if presented along with at least one of the documents listed under Supplemental ID Documents earlier in this section. If you are in the process of renewing the document and have the expired document in your possession, you may present it together with the government-issued renewal extension letter.

- If the test taker is in the U.S. military, and the expiration of his or her driver’s license has been extended or deferred by the issuing state, the license can be used as supplemental ID along with the test taker’s U.S. Military ID. Depending on the state, the extension or deferral may consist of either a sticker affixed to the license, the designation “military” printed in place of an expiration date, or a separate document carried with the license, usually with a notation that the driver’s license is valid until a specific time period after discharge from service.
- If your driver’s license has expired, but you present it along with your original Department of Public Safety renewal certificate, these two documents together are acceptable provided the names on both documents match exactly. If a provisional driver’s license is issued in lieu of a renewal certificate, this is acceptable as a primary ID document if it contains your photo, signature, and an expiration date.

If your Military ID does not contain your signature, you must present a supplemental ID.

UNABLE TO MEET ID REQUIREMENTS

You must receive approval from OTI before you may register. You should also be prepared to submit any requested documents to OTI for review before receiving approval. If you do not contact OTI before you register, and as a result you are not permitted to test or your test scores are withheld, your test fees will not be refunded.

Test Center Procedures and Regulations

GENERAL GUIDELINES FOR TEST DAY

- Test-related information written on ID documents, clothing and footwear, or on any part of the body is prohibited.
- Test centers do not have large waiting areas. Friends or relatives who accompany you to the test center will not be permitted to wait in the test center or be in contact with you while you are taking the test, including during breaks. Except for ETS-authorized observers, visitors are not allowed in the testing room while testing is in progress or during breaks.
- ID verification at registration, and/or check-in at the test center may include:
  - Biometric voice and photo identification
  - Fingerprinting/thumbprinting
  - Video surveillance
  - Signature comparison

If you refuse to participate, you may not be permitted to test and you will forfeit your test fees. This is in addition to the requirement that you present acceptable and valid identification.

ETS respects individuals’ privacy and has implemented procedures to ensure that the check-in process is completed in a respectful manner. ETS reserves the right to ensure the security of test content by using electronic detection scanning devices (e.g., hand-held metal detectors/wands) and may also employ additional security measures such as visual inspections for unauthorized testing aids or other wearable technology. Test takers should be prepared to undergo these security measures to ensure a fair testing environment. Failure to comply may result in dismissal from the test and forfeiture of your test fees.
- To ensure unauthorized aids are not brought into the testing room, additional visual inspections of clothing, footwear, and ID documents may also be conducted. You may also be required to remove your eyeglasses for close visual inspection. These inspections will be done at check-in and upon return from breaks. Unless an inspection is required for use or possession of an unauthorized aid during the test session, removal of footwear is prohibited in the testing room.
- Personal items other than ID documents are not allowed in the testing room. This includes any phones, tablets, all watches, wearable technology, and any other electronic, recording, listening, scanning or photographic devices. If you are seen using or accessing any of these electronic devices and/or transmitting data, including but not limited to text messaging, email and photographs, your device may be inspected and/or confiscated. You may not access your phone during the test or during breaks to check messages, make a call, or to check the time.
- Jewelry is prohibited, except for wedding and engagement rings. Do not wear other jewelry to the test center.
- Clothing and other personal items that include, but are not limited to, hair accessories, neckties, bowties, hats, scarves, jackets and outerwear are subject to inspection by the test center administrator. Refrain from wearing such items as tie clips, cuff links, ornate clips, combs, barrettes, headbands and other hair accessories on test day, as you may be prohibited from wearing them in the testing room.
- Before the test, you will receive instructions from test center staff regarding where to store personal items. You will not have access to your personal items during the test administration except for food, beverages and medication, which may be accessed during a break.
ON TEST DAY (continued)

- If you fail to follow the instructions of the test center staff, you will not be permitted to test and your test fee will not be refunded. Any violation of these procedures during the test or during breaks may result in dismissal from the test center and/or cancellation of your test scores.
- Test centers and ETS assume no responsibility for personal items including watches, jewelry or devices that you choose to bring to the test center.
- The test administrator will assign you a seat.
- On occasion, weather conditions or other circumstances beyond the test administrator’s or ETS’s control may require a delayed start or the rescheduling of your test.
- You may be asked to empty your pockets, raise your pant legs above your ankles, pull up your sleeves above your wrists for visual inspection, and you may be scanned with a hand-held metal detector wand. Such inspections are routine prior to each entry into the testing room. You may request that the inspections be performed by a staff member of the same gender and/or in an area sheltered from the view of other people. Test center staff will make every effort to accommodate such requests, but ETS cannot guarantee that all test centers will have the necessary staff and space available.

ETS reserves the right to take appropriate action and/or notify appropriate authorities including, but not limited to, law enforcement authorities, if a test taker responds in a threatening or disturbing manner.

ETS takes test security very seriously. Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible to report any observed irregular behavior — for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids. All information will be held in strictest confidence. Reports of cheating or fraud will be investigated thoroughly and offenders may be prosecuted to the full extent of the law.

DURING THE TEST

The following procedures and regulations apply during the entire test session, which begins at sign-in, ends at sign-out, and includes breaks.
- Bring your admission ticket and ID with you to the testing center. Your admission ticket is important because it contains the test center address and reporting time on test day. While you are not required to present it at the test center, test center personnel may ask you for it.
- You will be required to read and sign a Confidentiality and Regulations Agreement at the test center. If you do not complete and sign the agreement, you may not be allowed to test and your fees will NOT be refunded.
- You may be required to sign the test center log before and after the test session and any time you leave or enter the testing room.
- Other than ID, personal items are not allowed in the testing room. Before the test, you will be assigned a locker or receive instructions from test center personnel regarding where you must store personal items. Storage space is limited, so plan accordingly. You may not have access to your personal items during the test or break.

- You are required to remain in the test center building. It is your responsibility to ask the test administrator for permission to leave the test center vicinity — for example, to go to the nearest restroom. If you leave the test center without permission, you may be dismissed or your scores may be canceled.
- The test administrator will provide you with scratch paper for use during the test to assist you in working out problems and for appropriate note-taking during times sections of the test. You may not take your own scratch paper to the test. Scratch paper is not to be used before the test or during breaks. During the test, if you have used all of your scratch paper, you must return it to the test center staff in order to receive more. You cannot remove a page or portion of the scratch paper at any time. All paper, in its entirety, must be returned to the test center administrator at the end of the testing session. You may not write on anything other than the scratch paper provided (e.g., computer or workstation ID document). Scratch paper should NOT be used during the untimed sections or during breaks. If you are observed using any documents or unauthorized papers other than the designated scratch paper distributed by the test site, they will be confiscated by the test center staff.
- For paper-delivered tests administered as an accommodation for a disability, test takers may use the test book for scratch work. Scratch paper is not provided except as an approved accommodation.
- If you need to leave your seat at any time other than a scheduled break, raise your hand; timing of the section will not stop.
- If at any time during the test you have a problem with your computer, or for any reason need the administrator, raise your hand.
- Testing premises are subject to videotaping.
- The maximum time allotted for the tutorial and/or other untimed sections before the test is 30 minutes. The purpose of the tutorial and/or other untimed sections before the test is to become familiar with the computer functions and other important information that will make your testing experience as convenient as possible. The time you spend on the tutorial and/or other untimed sections should not be for any other purpose. You may not use scratch paper during this time. Infractions will be reported to ETS, and the test administrator is authorized to dismiss you from the test administration if you fail to follow the test administrator’s directions.
- The testing session is actively monitored by test center staff. This includes staff walking around, and entering and leaving the testing room.

DISMISSAL FROM A TEST CENTER

A test administrator is authorized to dismiss you from a test session and/or your scores will be canceled by ETS for actions such as, but not limited to, the following:
- Attempting to take the test for someone else or having someone else take the test for you.
- Failing to provide acceptable identification.
- Obtaining improper access to the test, a part of the test, or information about the test. This includes having preknowledge of test questions or answers in advance of the test administration, in any form, and/or bringing such information to the test center in any form, including on identification documents, stored in cell phones, or any other method.
- Using or having any phones or other electronic, recording, listening, scanning, photographic device, or wearable technology in your possession. Such devices are strictly prohibited at the test center. If you take these devices into the test center, you will be dismissed from the test, forfeit your test fees, and ETS will cancel your scores even if dismissal is not enforced on the day of the test. Test centers and ETS assume no responsibility for personal items that you choose to bring into the test center.
ON TEST DAY (continued)

- Using any aids in connection with the test is prohibited such as: mechanical pencils, pens, scan pens or devices, pagers, beepers, calculators, watch calculators, books, pamphlets, notes, rulers, highlighter pens, stereo or radios with headphones, any phones, watch alarms (including those with flashing lights or alarm sounds), stop watches, dictionaries, translators, compasses, protractors, rulers, and any hand-held electronic, recording/listening, scanning, or photographic devices.

- Creating a disturbance. Disruptive behavior in any form will not be tolerated. The test administrator and ETS have sole discretion in determining what constitutes disruptive behavior.

- Attempting to give or receive assistance. Discussion or sharing of test content or answers during the test administration, during breaks, or after the test is prohibited. Communication in any form is not permitted during the test administration.

- Removing or attempting to remove test content from the test center. Under no circumstances may test content or any part of the test content be removed, reproduced, and/or disclosed by any means (e.g., hard copy, verbally, electronically) to any person or entity.

- Bringing a weapon or firearm into the test center.

- Bringing food, beverages, tobacco, or electronic cigarettes into the testing room.

- Leaving the test center vicinity during the test session or during breaks, without permission.

- Failing to follow any of the test administration regulations contained in this Bulletin, given by the test administrator, or specified in any test materials.

ETS reserves the right to take all action—including, but not limited to, barring you from future testing and/or canceling your scores—for failure to comply with test administration regulations or the test administrator's directions. If your scores are canceled, they will not be reported, and your test fees will not be refunded.

REGISTERING A COMPLAINT

If you think conditions at the test center were such that you were unable to perform satisfactorily, you may cancel your score(s) and request a retest. If you wish to cancel your score(s), you must select the “Cancel Scores” option at the end of the test. Retests cannot be offered if the “Report Scores” option has been selected and the unofficial scores have been viewed. Complaints must be received in writing no later than 7 business days after the administration. Complaints received after this period will not be accepted. ETS will investigate before responding to your request. Please see page 5 for additional information.

SCORES & SCORE REPORTS

Reporting Your Test Scores

If you test in Arkansas, District of Columbia, Kansas, Kentucky, Louisiana, Maryland, Mississippi, Missouri, Nebraska, New Jersey, North Carolina, Pennsylvania, Rhode Island, Tennessee, Utah, Vermont, or Virginia, a copy of your scores will automatically be sent to that state’s credentialing agency for school principals and superintendents.

SCORE REPORTING DATES

Your official scores will be supplied to your score recipients and available to you online approximately 2–3 weeks after the testing window closes (regardless of the specific day on which you tested within that window). You will receive an email notifying you when your score report is available to view. Access your scores online at www.ets.org/sls by logging into the account you created when you registered. Score reports will be available for 10 years from the date scores are posted. We recommend that you print or save a copy of your score reports for your records.

For each test date, a copy of your scores will be sent to up to four score recipients.* In order for your attending institution (college or university where you received training that most closely relates to the test(s) you are taking) to receive a copy of your score report, you MUST list that institution as a score recipient. Individual score reports are NOT sent to attending institutions unless they are designated as a score recipient. Your scores for a specific test will be sent to a designated recipient only if that institution or agency is eligible to receive those test scores. Score reports will list your current score and highest score you have ever earned on each test.

You will receive passing score information on your score report for those score recipients or the state agency you designated when you registered. If you list an institution as a score recipient, you will receive passing score information for the state agency in which the institution is located. Your score report will provide you with the passing score set by the credentialing agency for each test you took and tell you whether or not you met that score. The passing score information is based on the most recent information The School Leadership Series program has for each agency. Score recipients you chose when you registered or to whom you sent an Additional Score Report will receive passing score information that is pertinent only to them. They will not receive passing score information for other agencies, associations, or organizations.

Official score reports will not be released if you have an outstanding balance, which may include an outstanding balance for previous services from The School Leadership Series.

Scores from the 2019–20 testing year will be available for reporting on additional score reports for ten years. Test taker background data will be retained for the same time period.

For more information about your scores, you may download Understanding Your School Leadership Series Scores from the SLS website at www.ets.org/sls/scores/understand.

* ETS reserves the right to refrain from sending score reports

(1) to entities that have been found to violate the Proper Use of The Praxis Series and Related Assessments and

(2) to entities against which complaints of violation have been made pending completion of ETS’s inquiry into the claimed violations

ADDITIONAL SCORE REPORTS (ASRs)

Fee: $50 each

At your request, ETS will send your scores and reportable background information to additional institutions or agencies. When you register to test, you may select up to four score recipients at no charge. You may add or change these score recipients up to 3 days before your test appointment. You may complete your request online at www.ets.org/sls/scores/add_reports, by mail, phone, or fax. To make ASR Request online, log in to your SLS account. Click on “Order Additional Score Reports” and follow the instructions to complete your order. To request an ASR by mail or fax, download and complete the Additional Score Report form located at www.ets.org/sls/scores/add_reports. Additional score reports are issued within 5–7 calendar days for online and phone requests and 10 business days for mailed or faxed requests. The additional score reports are posted to your ETS online account and remain available for 10 years from the test date. The reports are no longer mailed to your postal address.

When you ask ETS to send additional score reports to institutions or agencies, you automatically authorize ETS to report your highest score. (Scores will be sent to a recipient only if that recipient is eligible to receive those scores.)

If scores have not been reported from a current administration and you want the institutions or agencies listed on your Additional Score Report form combined with those you selected when you registered, check the appropriate box on the form. Current and highest scores will then be reported to all recipients requested.

You will automatically receive a copy of your score report confirming that your score report was sent.

SCORE REVIEW SERVICE

Fee: SSA (6021) - $65
SSA (6991) - $65
SLLA (6990) - $65

All constructed-response and essay readers have been carefully trained and follow strict scoring procedures. Each test that contains one or more constructed responses or essays is scored by more than one reader. However, if you feel that your score on the School Leaders Series Assessment and/or the School Superintendent Assessment does not accurately reflect your performance, you may request a score review of your test. (Note: Selected-response questions on computer-delivered tests are not available for score review because they have already been scored twice — initially at the test center, then they were transmitted to ETS where they were verified.)

To have a score reviewed, download and complete the Score Review Request form from the SLS website at https://www.ets.org/s/sls/pdf/score_review_request.pdf and send it to ETS with the proper fee. Your request must be received within three months of the test date. If there is a change in your reported score, the revised score (which may be higher or lower than your originally reported score) will be reported to you and to the recipients of the original score, and your review fee will be refunded. Your test books and answer sheets are not available for disclosure. Please note that your score for a specific test will be reviewed only once.

Cancellation of Scores by You

If you feel you did not perform to your potential on a test, you have the option of cancelling your scores before they are reported.

You may cancel your score for an SLS test at the end of the test session, but before viewing your unofficial score on the screen. (Note: not all SLS tests offer the opportunity to view unofficial scores at the end of a testing session. If an unofficial score is not provided for your test, it means that further analysis must be conducted before scoring can be completed. This does NOT indicate any problem with the administration of your test and will NOT result in any delay of the reporting of your official score. The Kentucky Specialty Test of Instructional and Administrative Practices (6015) is the only SLS test that may provide an unofficial score.)

Once your scores have been cancelled, they will not be reported, and they cannot be reinstated on your record. You will not receive a refund if you choose to cancel your scores.

Cancellation of Scores by ETS

ETS strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS’s standards and procedures for administering tests have two primary goals: giving test takers equivalent opportunities to demonstrate their abilities, and preventing any test takers from gaining an unfair advantage over others. To promote these objectives, ETS reserves the right to cancel any test score when, in ETS’s judgment, a testing irregularity occurs, there is an apparent discrepancy in a test taker’s identification, the test taker engages in misconduct or plagiarism, or the score is invalid for another reason. Reviews of scores by ETS are confidential. When, for any of the above reasons, ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled, but it does not disclose the reason for cancellation except when authorized to do so by the test taker and in certain group cases.

Testing Irregularities

“Testing Irregularities” refers to problems with the administration of a test. Testing irregularities may result from actions of test takers, test center personnel, ETS, or from man-made causes. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials (e.g., improper or damaged test forms), and defective equipment); improper access to test content; and other disruptions of test administrations (such as natural disasters or other emergencies). When testing irregularities occur, ETS may decline to score the test, or cancel the test score. When, in ETS’s judgment, it is appropriate to do so, ETS gives affected test takers the opportunity to take the test again as soon as possible, without charge.

Identification Discrepancies

When, in ETS’s judgment or the judgment of test center administrators, there is a discrepancy in a test taker’s identification, the test taker may be dismissed from the test center. In addition, ETS may decline to score the test or cancel the test score if the documents or photos from the test day cannot be validated or if ETS has evidence that you did not appear for the test. If test scores are canceled by ETS, the test fees will NOT be refunded. ETS may also ban you from taking any future ETS test.
**Misconduct**

When ETS or test center personnel find that there is misconduct in connection with a test, the test taker may be dismissed from the test center. ETS may decline to score the test, cancel the test and may ban you from taking any future ETS test. Test takers whose scores are canceled will forfeit their test fees. If fraudulent activity is detected after scores have been reported, ETS will cancel scores and notify score recipients of the cancellation. Misconduct includes, but is not limited to, noncompliance with the Test Center Procedures and Regulations, on pages 11–13 of this Bulletin.

**Invalid Scores**

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Substantial evidence means evidence that is sufficient to persuade a reasonable person; the substantial evidence standard is lower (i.e., requires less proof) than reasonable doubt, clear and convincing, and preponderance of evidence standards. Evidence of invalid scores may include, without limitation, discrepant handwriting, unusual answer patterns, and inconsistent performance on different parts of the test. Before canceling scores pursuant to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS’s concerns, considers any such information submitted, and offers the test taker a choice of options. The options may include voluntary score cancellation, a future test without charge, or arbitration in accordance with ETS’s standard Arbitration Agreement. Note: The arbitration option is available only to test takers who test in the United States and U.S. Territories. For more detailed information please reference Why and How ETS Questions Test Scores at [https://www.ets.org/praxis/scores/questioning](https://www.ets.org/praxis/scores/questioning).

Your essay responses on the writing section will be reviewed by experienced essay readers during the scoring process. ETS reserves the right to cancel test scores of any test taker when an essay response includes any of the following:

- text that is unusually similar to that found in one or more School Leaders Licensure Assessment and/or School Superintendent Assessment essay responses;
- quoting or paraphrasing, without attribution, language or ideas that appear in published or unpublished sources;
- unacknowledged use of work that has been produced through collaboration with others without citation of the contribution of others;
- essays submitted as work of the test taker that appear to have been borrowed in whole or in part from elsewhere or prepared by another person.

When one or more of the above circumstances occurs ETS may conclude that the essay response, in ETS’s professional judgment, does not reflect the independent writing skills that this test seeks to measure. When ETS reaches that conclusion, it cancels the essay score and cannot report scores for this test, of which the essay score is an indispensable part.

**Confidentiality of Information**

ETS recognizes your right to control the information about you that is stored by ETS. Its policies are designed to safeguard your information from unauthorized disclosure.

Your score report is intended only for you and for your designated score recipients. However, background information as noted during registration is reported to some states and institutions. To protect your right to control the distribution of your scores, reports will be released only at your specific request and only to ETS-approved score recipients. ETS will not release your scores at the request of institutions or agencies except

- for use in research studies approved by The School Leadership Series and that preserve your anonymity
- when information is required under compulsion of legal processes, in which case your score record and other documents you completed that are retained at ETS may be released to third parties (e.g., government agencies, parties to a lawsuit, etc.) if requested pursuant to a subpoena. Such documents may include but are not limited to photographs and documents completed at check-in on test day.
- when a state’s central regents office or board of governors requests copies of scores that have been reported to its member institutions
- when test takers have been informed by the administrator beforehand that their scores will automatically be released to the state
- when test takers have been notified in the Bulletin that a particular state requiring scores has arranged for all individuals tested in that state to have their scores sent directly from ETS
- when a branch institution requests scores previously sent to its main office or vice versa

Official score reports for properly designated recipients are sent directly from ETS to ensure the authenticity of the reports. Note that whenever ETS has confirmed that you have submitted a School Leadership Series Assessment score directly to an educational institution, agency, or district in satisfaction of one of its requirements, ETS will respond to requests for score verification from that recipient.

**Pretest Questions**

SLS tests may include pretest questions — new questions that are being evaluated for possible use in future editions of the test.

- Pretest questions are not identified within a test in order to assess how test takers respond to them under actual testing conditions.
- Pretest questions do not count toward your score.

**Test Takers’ Performance Data**

Test takers’ performance data may be used in analysis samples, score interpretation data, group statistics, and research studies. Test takers’ constructed responses may be used in ETS materials to train scorers, to help score recipients interpret scores, or to help test takers prepare for the test. In each instance, all identifying information will be removed.
