

# **The next generation of global young citizens' studies**

Erik Amnå

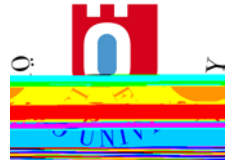

Youth & Society (YeS)  
Örebro University, Sweden

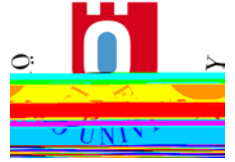

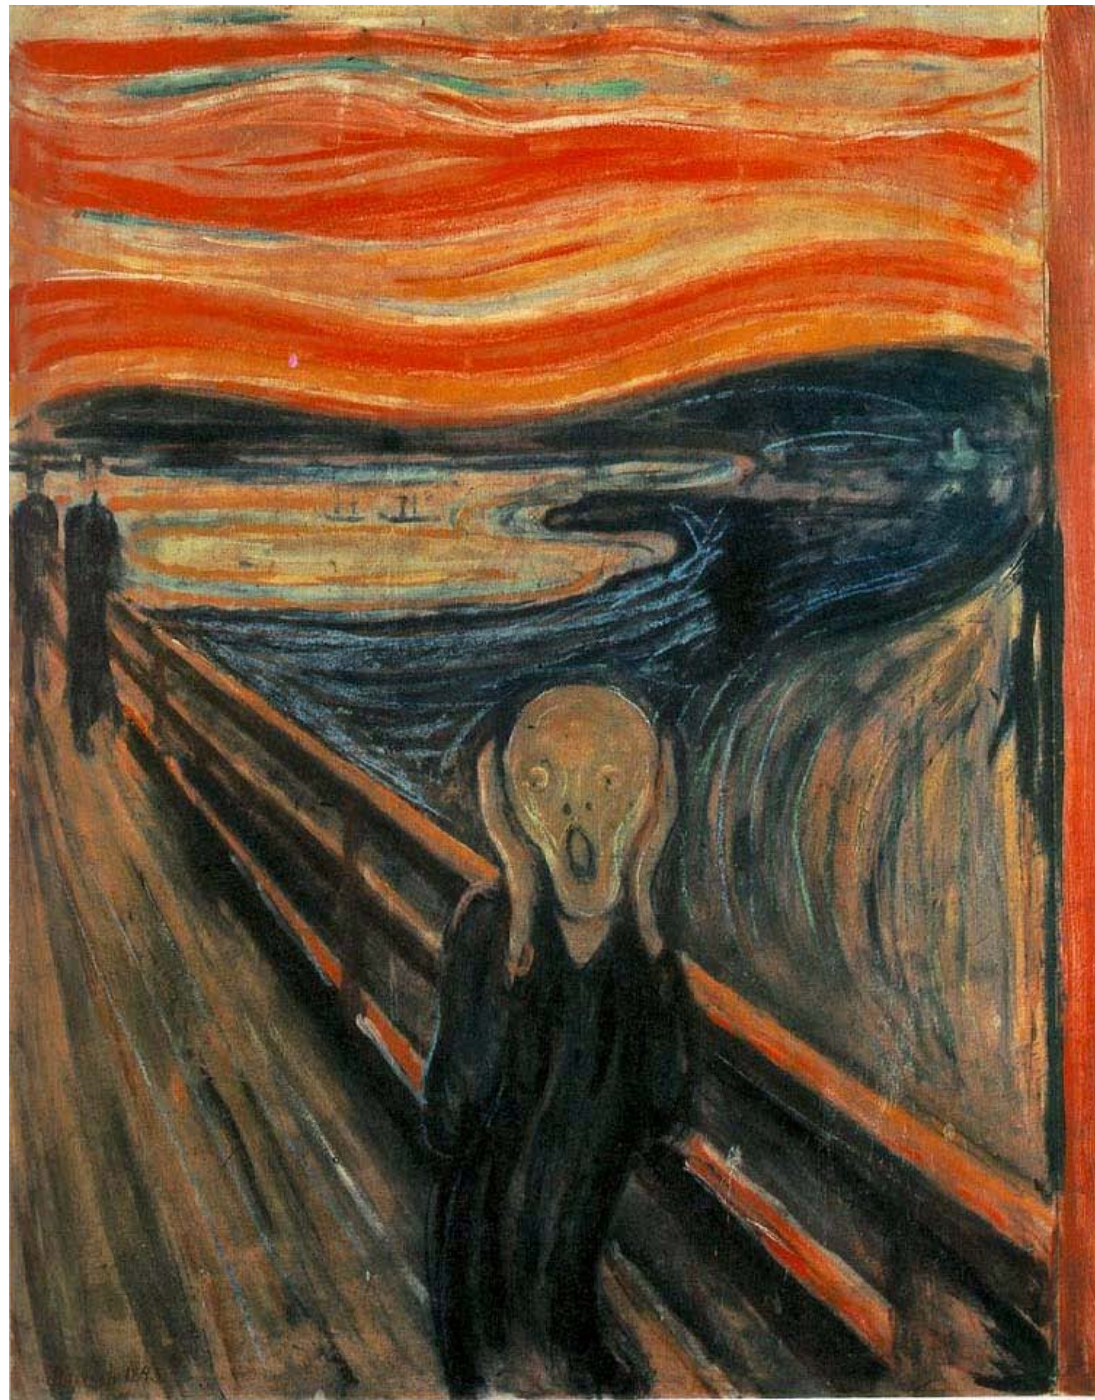

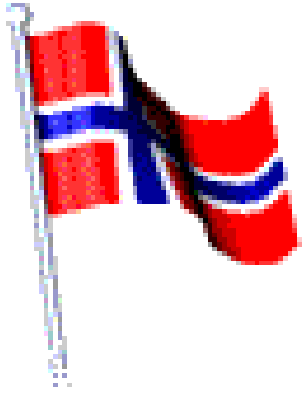

# A. Current policy relevance of IEA data

## Scandinavian democracies in transition

# Scandinavian democracies in transition

- Cultural diversity
  - Schools as a safe haven
- Institutional diversity

## B. Looking ahead – a wish list

1. Adolescents as human agents
2. Schools into their contexts
3. Non-formal citizenship dimensions
4. Macro data
  - Institutional setting
  - Civic culture
  - Opportunity structures
5. Youth´s 'passivity'
  - Robust – act of freedom
  - Robust – effect of marginalization
  - Stand by citizens

**Tack!**
