TOEFL®
Online Prep Course

Create a Personalized Learning Path to Enhance All Four Skills Measured on the *TOEFL iBT*® Test.

The *TOEFL*® Online Prep Course is an **online self-study tutorial** that helps prepare you for the *TOEFL iBT*® test. It offers **up to 80 hours** of content over a **six-month** subscription. Featuring diagnostic pretests, posttests and **approximately 500 activities**, the course has powerful speech recognition technology, automated scoring and an interactive gradebook that saves all of your responses.
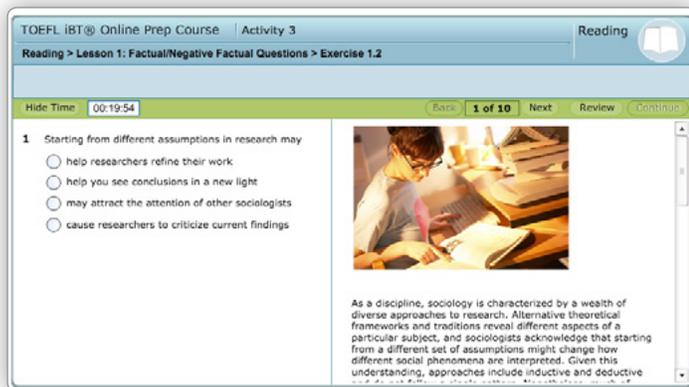

To benefit from studying independently using the skill-building module of the *TOEFL*® Online Prep Course, a Common European Framework of Reference (CEFR) proficiency level of B1 or higher is recommended. For those learners who are below CEFR Level B1, teacher and/or tutor guidance is recommended.
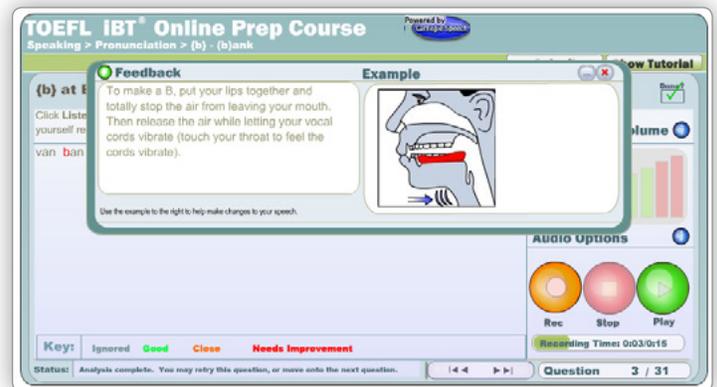

Features of the *TOEFL*® Online Prep Course:

- Includes diagnostic pretests to help identify which skills need improvement and creates a Personalized Learning Path
- Contains exercises that highlight skills in all four areas: reading, listening, speaking and writing
- Features strategies to help overcome test-taking obstacles
- Incorporates self-assessments that help gauge individual progress throughout the course
- Offers an interactive gradebook that tracks test results, spoken responses and self-assessments

Engaging exercises boost skills in all four areas measured by the *TOEFL iBT*® test.

- **Reading:** Students read academic passages of varying difficulty and answer questions.

- **Speaking:** Students speak their answers to prompts. The answers are measured by state-of-the-art speech recognition technology that pinpoints errors in sounds, grammar, rhythm, pitch and fluency of the students' speech.

- **Listening:** Students listen to lectures and conversations in academic settings and answer questions based on what they heard.

- **Writing:** Students practice taking notes and writing essays using both independent and integrated writing skills. Students also practice identifying and correcting common grammatical and mechanical errors.

Factual questions exercise within the Reading section

Pronunciation exercise within the speaking section

For blind and visually impaired students, the course is screen-reader accessible.
Course subscriptions are valid for six months once activated.
