Test Date Foundational Skills

Foundational skills underlie broad areas of language ability. The percentile value for a foundational skill means that the test taker performed better than that percentage of all those who took the test. For example, a score at the 75th percentile means that the test takers performed better than 75% of all test takers.

Sentence Construction

**80th Percentile**

This skill predicts the range and complexity of sentence structures test takers can use in a variety of academic and daily life contexts and tasks. Sentence construction supports effective communication of complex ideas and perspectives.

Vocabulary Knowledge

**65th Percentile**

This skill predicts the range of vocabulary understood in a variety of academic and daily life contexts and tasks. Vocabulary knowledge is foundational for both comprehending content and expressing ideas with clarity.
