Test Day Checklist

You've worked hard to be ready for the TOEFL® test. Now, take care of these last few details to ensure everything goes smoothly on test day.

2 days to go

- Log in to your ETS account to confirm the time and location of your test.
- Be sure you have valid identification (ID) to bring with you to the test center. It must match the name you used when you registered.
- Plan your route to the test center, so that you will arrive on time.
- Get enough rest, especially the night before.

Test Day

- The TOEFL test is 3 hours long with a 10-minute break, so eat a good breakfast.
- Arrive at the test center at least 30 minutes early. If you're late, you won't be able to take the test!
- Present your valid ID that matches the name you used when you registered for the test.
- Your photo will be taken and displayed at your testing station and on your official score report. You will also provide handwriting and signature samples.
- You will be assigned a seat a few minutes before your start time.
- Mobile devices, personal items and food are not allowed in the testing room. You will be instructed where to put anything you bring. See complete policies at http://www.ets.org/toefl/ibt/test_day/policies/.
- You can use the restroom at any time, but remember—the test clock does not stop when you leave your seat.

GOOD LUCK ON TEST DAY!
