Review the ID requirements on pages 8–11 and bring the required ID documents and your Photo File Record. Without the required ID and Photo File Record, you will not be permitted to test and your test fee will not be refunded.

The entire TOEFL PBT test session (including check-in) takes approximately four hours.

For other important information regarding test day, see “Test Center Procedures and Regulations” on pages 11–12.
The **TOEFL® Test**

The TOEFL test measures the ability of non-native English speakers to communicate in English in an academic setting. It accurately measures how well students can use their English language skills in the college or university classroom.

TOEFL testing takes place all over the world, and TOEFL scores are accepted by over 9,000 institutions in more than 130 countries. More institutions accept TOEFL test scores than any other English-language test, and over 30 million people have taken the test since it began in 1964. The TOEFL test is the one test that can take you anywhere.

All test centers are open to everyone who is properly registered, regardless of race, color, creed, or national origin (subject to U.S. sanctions programs and embargoes).

This *Information and Registration Bulletin* contains information about the TOEFL Paper-based test (TOEFL PBT). TOEFL PBT test locations are available at [www.ets.org/toefl](http://www.ets.org/toefl).

The **TOEFL Paper-based Test (TOEFL PBT)**

**IMPORTANT!** TOEFL PBT testing is currently offered only in locations where testing via the Internet is not available. TOEFL PBT test scores will remain valid for two years after your test date.

The TOEFL PBT test is approximately three and one-half hours long. It has three sections, all of which are mandatory. **At least one question must be answered in each section to receive a score.**

- **Listening Comprehension** measures the ability to understand English as it is spoken in an academic setting.
- **Structure and Written Expression** measures the ability to recognize language that is appropriate for standard written English.
- **Reading Comprehension** measures the ability to understand non-technical reading material written in English.

You will be given a test book and a paper answer sheet on which to record your responses. Each section of the test has a time limit. The test administrator will tell you when to start and stop each section.

You may read or work on a section only during the time permitted for that section. If you finish a section early, you may **not** go on to the next section or return to a previous section. Failure to follow this rule may result in your dismissal from the test center, your scores being canceled, and/or loss of your test fee.

The **TWE® test** is a 30-minute writing test that is required of everyone taking the TOEFL PBT test. You will write a short essay on one topic printed in your TWE test book to demonstrate your ability to write in English. This includes the ability to generate and organize ideas, to support those ideas with examples or evidence, and to compose in standard written English in response to an assigned topic. You will not need special knowledge of the topic. There is no separate fee for the TWE test.

You will write your essay on a two-sided answer sheet attached to your TOEFL answer sheet. When you are told to begin working, read the instructions and the essay question carefully. You must write only on the assigned topic. If you write an essay on a different topic, it will not be scored. You will probably want to spend a few minutes thinking about the kind of essay you will write, and you may wish to make a few brief notes. The test administrator will tell you where to make your notes for the writing test. Plan to take at least 20 minutes to write your essay after you have read the instructions and made notes.

Admission Tickets

If you register less than three months before your test date, your admission ticket will be mailed immediately after receipt and processing of your registration and payment. If you have not received your ticket two weeks before the test date, contact TOEFL Services (see page 5).

Front of the Admission Ticket

Name
When you receive your ticket, check to be sure your name is spelled exactly as you spelled it when you registered. If your name is printed in English letters on the required identification document that you will present at the test center (see pages 8–11), your name must be spelled the same way on your admission ticket. Also check your birth date, gender, and address.

If corrections are necessary, follow the directions on the ticket. You must give the corrections to the test administrator on the day of the test. Name changes cannot be made. Only misspellings of your name can be corrected.

If you correct an error in the printing of your name, birth date, or gender, the test administrator must verify the change with the information on your identification document. If the corrected information is the same, the test administrator will sign the ticket. If the test administrator does not sign your ticket, the change will not be made. All corrections are subject to ETS approval. Only address changes will be accepted after the test date.

Note: Do Not return the ticket; you will need it at the test center. After the test, the test administrator will collect tickets with corrections.

Registration Number
Your registration number will be printed on your admission ticket. Keep the number in a safe place. You must have your registration number if you need to contact TOEFL Services before or after the test.

Back of the Admission Ticket

Institution and Department Codes
You may have score reports sent directly to up to four institutions as part of your test fee. Therefore, it is very important that you complete area 3 on your TOEFL admission ticket correctly. Go to the Destination Search at www.toeflgoanywhere.org for information on the institutions and agencies that accept TOEFL test scores. Department codes are on page 16 of this Bulletin.

If you are applying to an institution that is not listed, contact the institution and ask for its ETS TOEFL code number, or contact TOEFL Services. You must have this information before the test date so you can enter the code number on your answer sheet.

If you do not select score recipients when you test, or if you want to send score reports to additional recipients, you can order them using the Additional Score Report Request form and paying the required fee (see page 13).

If you are applying as an undergraduate student (you have finished secondary school but have not completed your studies for a bachelor’s degree), print 00 in the boxes for department code on the back of your admission ticket. Your score report will be sent to the undergraduate admissions office.

If you are applying for graduate study (you have already earned a bachelor’s degree at a college or university), look at the Department Codes list on page 16. Find the name of the department in which you plan to study and then write the code number. If your department is not listed, write 99 in the boxes for department code on the back of your admission ticket. You must write a department code number so TOEFL Services can send your score report to the correct office. If you do not write a department code, your official score report may be sent to the institution’s undergraduate school.

For an agency or an institution that is not a college or university, print 00 in the boxes for department code.
PHOTO FILE RECORD
Before you report to the test center, you must do the following:
▶ Sign the Photo File Record.
▶ Attach a recent photograph of yourself (taken within the last six months) showing only your face and shoulders.
▶ Write your name, test date, registration number, and test center number on the back of your photograph before you attach it to the Photo File Record in case it becomes detached.
▶ Trim your photograph so that it is no larger than 5 x 5 cm or no smaller than 3 x 3 cm. It cannot be larger than the designated space.
▶ Glue or tape your photo to the form. Do not use staples.
▶ Laminated copies and photocopies are not acceptable.

You must give the test administrator a recent photograph or your scores will not be reported. The photograph you attach to your Photo File Record must be clear enough so there is no doubt about your identity. Your face in the photo must show you as you will look on the day of the test, for example, with the same hairstyle, with or without a beard.

IMPORTANT: If you do not receive an admission ticket, but have official authorization from TOEFL Services to take the test, you must still take a recent photograph and the required identification to the test center. The test administrator will give you a Photo File Record form to complete at the center. Do not leave the test center without giving your completed Photo File Record to the test administrator.

The photograph attached to your TOEFL Photo File Record will appear on your test taker score report and, in most instances, on the score reports sent to institutions.

NOTE: If you fail to submit a Photo File Record, your scores may not be reported, and your test fee will not be refunded.

TEST CENTER CHANGES
You should take the test at the center printed on your admission ticket. If you are unable to go to the assigned center, you may go to another test center on the date printed on your admission ticket, but there is no guarantee that space or test materials will be available for you to take the test. Contact TOEFL Services for the test center address and reporting time. Do not telephone or go to the test center before the day of the test. The center will not have the information necessary to help you.

ON TEST DAY

What to Bring to the Test Center
▶ Your admission ticket. Your admission ticket includes your registration number. If you would like to designate score report recipients on test day, it is very important that you accurately complete area 3 on your admission ticket. This will enable you to have score reports sent directly to up to four institutions as part of your test fee. You will grid your score recipient codes on your answer sheet. See “Institution Codes” and “Department Codes” on page 16.
▶ Acceptable and valid identification document(s) with a signature and photograph. The name you give when you register must match the name on the identification document(s) you present at the test center. See “Identification (ID) Requirements” on this page.
▶ Your signed Photo File Record, with a recent, recognizable photo.

If you are admitted to the new test center, you must change the test center number that is printed on your admission ticket and your Photo File Record. The admission ticket must be given to the test administrator at the end of the test.

If you are not admitted to the new test center, see “Rescheduling or Canceling” below.

Rescheduling or Canceling
You may not change your test date or cancel your registration. If you do not take the test, and do not wish to register for another test date, you may apply for a partial refund.

Refunds
If your request arrives within 60 days after your test date, you will receive a refund of one-half of the original test fee. The remainder of your payment will be retained by TOEFL Services to cover expenses for processing your registration, ordering and shipping test materials, and holding a seat for you at the test center. Cash refunds are not available. Refunds are in U.S. dollars.

Once you have been admitted to the test center, you are not eligible for any refund. Refunds will not be given if you do not follow proper registration procedures or fail to present the required ID document(s) at the test center.

To Request a Refund

Unused Admission Tickets
▶ Complete the Refund Request form on page 19. This form can also be downloaded from the TOEFL website. Your unused admission ticket must be returned with the completed request form.
▶ Mail the form to TOEFL Services, ETS, PO Box 6151, Princeton, NJ 08541-6151 USA.
▶ Your Refund Request form (and admission ticket) must be received within 60 days after your test date.

Payments by Credit Card
▶ A refund will be credited back to the original credit card account.

Payments by Check
▶ Payments are processed automatically.
▶ Allow 8 weeks for processing.

Three or four sharpened No. 2 or HB pencils and a good eraser. Pencils and erasers will not be supplied at the test center. Mechanical pencils and pens are not permitted.

Identification (ID) Requirements
All test takers are responsible for bringing valid and acceptable identification each time they report to a test center. It is your responsibility to have your ID documents up-to-date and available on the day of the test.

Your ID requirements depend on your country of citizenship and where you plan to test. Please read the specific section for acceptable primary and supplemental ID documents and allowed exceptions.
As outlined in “When You Register” below, you are responsible for ensuring that the name you used to register exactly matches the name on the ID document(s) you will present at the test center.

If the test administrator questions the ID you present, you may also be required to provide supplemental ID. If positive confirmation cannot be made, you may not be permitted to test or your test scores may not be reported.

All test takers are encouraged to bring at least two forms of acceptable ID each time they report to a test center. Prior admission to a test center based on a given ID document does not guarantee that that document will be acceptable. Test centers are not required to hold your seat if you leave the center to obtain acceptable identification.

Admission to the test center does not assure that the ID you provided is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity either during or after the test administration. ETS reserves the right to withhold and/or cancel scores in the event that the ID requirements are not met.

You may be required to show your ID and/or to sign a test center log at various points throughout the test administration.

Your test fee will not be refunded if you are not permitted to test or if your scores are withheld or canceled because of invalid or unacceptable ID.

WHEN YOU REGISTER

You must use the exact name and spelling of that name as it appears on the primary ID document that you will present at the test center. If the name shown on your primary ID does not match the name on your registration record, you will not be permitted to test and your test fee will not be refunded. You will have to register again and pay another test fee.

To ensure that there are no discrepancies in your name or the spelling of your name. It is your responsibility to provide your entire first name (given name) and your entire last name (family name). Do not register under a nickname. If your ID document shows a multiple-part name, enter the names exactly as they appear on your ID.

When applying to a college or university, use the same name and spelling of your name on your application. It is your responsibility to use the same name and spelling of your name as it appears on your admission ticket.

Supplemental ID documents may not be used to resolve last name discrepancies. The last name on your primary ID must match the name on your admission ticket.

The following ID documents are generally acceptable as supplemental ID:

- Government-issued ID card (including, but not limited to, those listed under Primary ID Documents earlier in this section).
- Student ID card
- Confirmation of identity letter from your educational institution.

ACCEPTABLE SUPPLEMENTAL ID DOCUMENTS

You may also be required to provide a supplemental ID if the test administrator questions your primary ID document and/or if your primary ID document is otherwise acceptable but is missing your full name, photograph or signature.

▶ Test center administrators cannot honor requests for schedule changes.
▶ Dress so that you will be comfortable in any room temperature.
▶ Friends or relatives who accompany you to the test center are not allowed to wait in the test center or be in contact with you while you take the test or during breaks. Except for ETS-authorized observers, visitors are not allowed in the testing room while testing is in progress.

VERIFYING YOUR ID
You must present valid and acceptable identification. See “Identification Requirements” on pages 8–11 for acceptable identification documents. Identification verification at the test center may also include:
▶ Thumbprinting

If you refuse to have your identity verified, you will not be permitted to test and you will not receive a refund.

PERSONAL ITEMS
Personal items other than identification documents are not allowed in the testing room. This includes cell phones, smart phones, smart watches, and any other electronic recording, scanning, listening or photographic devices. You will not have access to your personal items during the test or during breaks. Before the test, you will receive instructions from test center staff regarding where to store your personal items. You will be required to follow the procedures set by the test center for storage of your cell phone or any electronic or photographic device you bring to the test center. If you take personal items into the testing room, they will be collected by the test center staff. If you fail to follow the instructions of the test center staff, you will not be permitted to take the test. Any violation of this procedure during the test or breaks may result in cancellation of your scores, dismissal by the test center staff, and/or banning from future testing. Test centers and ETS assume no responsibility for personal items or devices that you choose to bring into the test center.

SEATING
The test administrator will assign you a seat.

DELAYED OR RESCHEDULED TESTS
On occasion, weather conditions or other circumstances beyond our control may result in a delayed start or rescheduled test, or scores may be canceled after you take the test.

If your test is rescheduled by ETS before you test, you can select a different test date and you will not be charged the rescheduling fee.

If you travel to the test center and find out that the test administration has been canceled by ETS, you can reschedule your test at no charge or receive a full refund of your test fee.

If you take the test and your scores are canceled by ETS, ETS will determine, at its sole discretion, whether or not you are eligible to re-test at no charge or to receive a refund.

If ETS cancels a test administration or cancels scores after you test, and you have incurred travel costs to get to the test center, you may be eligible for reimbursement of reasonable and documented travel expenses for yourself only within 30 days of your original test date. Refunds are in U.S. dollars.

When you contact TOEFL Services, have appropriate receipts available and be prepared to provide the following information:

- Name
- Date of birth
- Mailing address
- Daytime phone number
- Email address
- Original test date
- TOEFL registration number
- A description of the problem

If you have any questions about rescheduling and refund policies, please contact TOEFL Services (see page 5).

- Attempting to take the test or part of the test for someone else, or having someone take the test or part of the test for you.
- Failing to provide acceptable identification.
- Obtaining improper access to the test, part of the test, or information about the test.
- Using or having a phone or any other electronic device in your possession during the testing session or during breaks.
- Using any aids in connection with the test, such as mechanical pencils, pens, scan pens, calculators, calculator or computing watches, books, pamphlets, notes, paper of any kind, rulers, highlighter pens, dictionaries, translators, or any other electronic, recording, listening, scanning or photographic device.

- Evidence that your responses are invalid for reasons such as unusual timing patterns, unusual answer patterns, inconsistent performance on different parts of the test and/or inconsistent performance with other test administrations.

Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible to report any observed behavior that may lead to an invalid score—for example, someone copying from another test taker, taking a test for someone else, having access to test questions or answers before the test, or using notes or other aids. All information is held in the strictest confidence.

- Failing to follow any of the test administration regulations in this Bulletin or on the TOEFL website, given by the test administrator, or specified in any test materials.

ETS reserves the right to take any and all action—including, but not limited to, banning you from future testing or canceling your scores—for failure to comply with test administration regulations or the test administrator’s directions. If your scores are canceled, they will not be reported and your test fee will not be refunded.

SCORES AND SCORE REPORTING

Test Taker Score Report/Official Score Reports

- A test taker score report.
- Up to 4 official score reports that ETS will send directly to the institutions or agencies you designate before you take the test.

ETS will send the test taker score report to you at the most recent address you provided. If your address changes after you take the test, contact TOEFL Services.

For a fee, you can also request additional score reports for institutions you did not identify before you took the test. Your request can be made by mail or fax. See the Additional Score Report Request Form on page 21.

ETS will send a test taker score report to you and official score reports to your designated institutions approximately 5 weeks after you take the test.

- Evidence that a TWE essay response includes material that is substantially similar to material found in other TOEFL test takers’ essays, or quotations or paraphrasing of language or ideas from published or unpublished sources that are used without attribution.

Test results will be mailed 2 to 3 weeks later to test takers whose answer sheets are not completed properly or whose answer sheets arrive late at ETS. If you have not received your score report 7 weeks after the test date, contact TOEFL Services (see contact information on page 5).
Interpreting Your Scores

Your score report will show 3 section scaled scores and a total scaled score. Each correct answer counts equally toward the score for that section. There is no penalty for wrong answers. The total number of correct answers is called the “raw score.” (Note: some questions in the test may not count toward section or total scores.) The raw score for each section is converted by statistical means to a number on what is called the TOEFL test scale. The total paper-based test score is reported on a scale that ranges from 310 to 677.

The TWE score is reported separately, on a scale of 1 to 6. Your TWE essay will be reviewed by 2 raters who did not score your essay previously. If the review confirms your original TWE score, you will be notified by letter. If the review procedure results in an increase or decrease in your TWE score, you will receive a revised test taker score report and revised score reports will be sent to the institutions that received your scores. This revised score will become your official TWE score. The fee for TWE essay review is US$50.

To request a score review, complete the Score Review Request Form on page 19 of this Bulletin and send it, with the required fee, to the address on the form. If you are paying by credit/debit card, you may fax the form. See the instructions on the back of the form for mailing and payment information. The form is also available on the TOEFL website.

The results of the score review will be available approximately 3 weeks after TOEFL Services receives your request and payment.

Canceling Your Scores

You will have the opportunity to cancel your scores at the test center on test day. However, you should consider very carefully before canceling your scores. Scores will be reported to institutions only at your request. If you cancel your scores, they will not be reported to you or to any institutions, and you will not receive a refund. Canceled scores are not added to your permanent record. Your test scores cannot be reinstated once they have been canceled. If you wish to take the test again, you must complete a new registration form and submit it with another test payment.

If you decide to cancel your scores, complete the score cancellation section of your answer sheet.

NOTE: You cannot cancel your score for one section of the test and have the scores for the remaining sections reported.

Ordering Additional Score Reports

You can have additional score reports mailed to institutions you did not identify on before you took the test. Additional score reports can be ordered by faxing or mailing the Additional Score Report Request Form in this Bulletin. This form is also available on the TOEFL website.

The form will be returned to you if you do not include complete and accurate information and the correct fee. Designated institutions cannot be changed or deleted after you submit the request. No refunds will be made.

NOTE: Please check the TOEFL website to see if there are any payment method restrictions for your location.

► Follow the instructions on the back of the Additional Score Report Request form for completing and submitting your request and payment.
► Reports are mailed approximately 10 business days after receipt of your request and payment.
► The fee is US$20 for each report ordered.

NOTE: TOEFL PBT scores are measurement information and are subject to all restrictions on release of information indicated in this Bulletin. They are not the property of the test taker. The information contained in your TOEFL PBT test taker score report is the same as the information on your official score reports.

Processing Tips

► Do not send a letter with your request.
► Mark identification codes only for institutions you did not provide before you took the test.
► List no more than 8 institutions on a form. To order more than 8 reports, use a second form.
► Use official destination codes to be sure your score reports are sent to the correct locations. Go to www.toeflgoanywhere.org for information about the colleges and universities that accept TOEFL test scores.
► Sign and date the form.
► Include an acceptable form of payment and include the correct amount. Reports will only be sent to the number of institutions for which you have paid.

Scores Are Valid for Two Years

TOEFL scores are valid for 2 years from the test date. Because language proficiency can change considerably in a relatively short period of time, scores more than 2 years old cannot be reported or verified.

If you took the TOEFL test more than 2 years ago and need to submit scores to an agency or institution, you must take the test again to have your scores reported.

Request for Score Review

You can request that your TOEFL PBT answer sheet or TWE essay be reviewed up to 3 months after your test date. Only one request per administration may be submitted.

TOEFL PBT Answer Sheet: Your TOEFL PBT answer sheet will be reviewed independently by 2 different people. If hand-scoring confirms the accuracy of the scores reported earlier, you will be notified by letter that your scores have not changed. If there is a difference between the hand-scored and machine-scored results, the hand-scored results (which may be higher or lower than those originally reported) will be reported to all recipients of the earlier scores with an explanation of why the scores changed. The fee for TOEFL PBT answer sheet score review is US$25.

TWE Essay: Your TWE essay will be reviewed by 2 raters who did not score your essay previously. If the review confirms your original TWE score, you will be notified by letter. If the review procedure results in an increase or decrease in your TWE score, you will receive a revised test taker score report and revised score reports will be sent to the institutions that received your scores. This revised score will become your official TWE score. The fee for TWE essay review is US$50.

To request a score review, complete the Score Review Request Form on page 19 of this Bulletin and send it, with the required fee, to the address on the form. If you are paying by credit/debit card, you may fax the form. See the instructions on the back of the form for mailing and payment information. The form is also available on the TOEFL website.

The results of the score review will be available approximately 3 weeks after TOEFL Services receives your request and payment.
Other Score-related Information

SCORE VERIFICATION
Institutions and agencies are advised to request official verification of any test scores sent to them directly by test takers. If you send your test taker score report to an institution and there is a difference between the official scores recorded at ETS and those on the score report you provided, the institution will be requested to send ETS a copy of the score report you submitted. At the written request of an institution official, ETS will report the official scores, as well as any previous scores recorded for you within the last two years. ETS or its authorized representative will also provide information about your scores at the request of an institution or agency that has a copy of your test taker score report.

ACCEPTABLE SCORES OR SCORE REQUIREMENTS
Each institution or agency that accepts TOEFL PBT and TWE scores decides for itself what scores or ranges of scores are acceptable. Score requirements vary from institution to institution, depending on such factors as your field of study, your level of study (graduate or undergraduate), whether you will be a teaching assistant, and whether the institution offers special courses in English as a foreign or second language. There is no specific passing or failing score. If you have questions about how your scores have been used or interpreted, contact the institutions or agencies that received your test results directly.

TEST SCORE DATA RETENTION
Individually identifiable TOEFL test scores are retained in a database for only 2 years. After 2 years, all test taker information and scores are removed. If you took the TOEFL test more than 2 years ago, you will have to take the test again to have scores sent to you, an institution, or agency.

CONFIDENTIALITY OF SCORES
The TOEFL program protects the information that is stored in data or research files held by ETS from unauthorized disclosure. Under certain specific conditions, this data may be shared.

ETS’s goal is to report valid scores, ones that reflect the test taker’s own unabated abilities. In the interest of that goal, ETS reserves the right to share any and all information in its possession about a test taker and the terms and conditions of test taking with (a) any entity which ETS recognizes as an authorized user of TOEFL test scores, including without limitation any entity to which ETS reports test scores at the test taker’s request, (b) any government agency, including agencies responsible for administration or enforcement of U.S. criminal and/or immigration laws, and (c) pursuant to a U.S. or foreign subpoena or required by applicable law. That information includes, but is not limited to, test taker identifying information, information concerning the conduct and findings of any test security investigation, and information concerning the test center where the test was taken.

TEST QUESTION INQUIRIES
Language specialists prepare TOEFL test questions. These specialists follow careful, standardized procedures developed to ensure that all test material is of consistently high quality. Each question is reviewed by several members of the ETS staff. The TOEFL Committee of Examiners, an independent group of professionals in the fields of linguistics, language testing, and language teaching that reports to the TOEFL Board of Trustees, establishes overall guidelines for the test content and specifications. After test questions have been reviewed and revised as appropriate, they are selectively administered in trial situations and assembled into test pools. The test pools are then reviewed according to established ETS and TOEFL program procedures to ensure that all possible versions of the test are free of cultural bias. Statistical analysis of individual questions ensures that all items provide appropriate measurement information.

Although ETS employs extensive quality control checks throughout the development of test questions and the preparation of final tests, typographical errors or flaws in questions may occasionally occur. If you suspect a problem and want to question a test item for any reason, notify the test supervisor before you leave the test center. You can also write to MS 42N-208, TOEFL Test Question Inquiries, ETS, Rosedale Road, Princeton, NJ 08541-0001 USA, or send a fax to 1-609-683-2600, as soon as possible after taking the test. Please include the name of the test, the section of the test, the test date, the name of the center where the test was taken, and, if possible, the number of the test item being questioned. If you have a complaint about the testing facilities or the supervisor, contact the TOEFL Program (see “Test Center Complaints,” page 5) as soon as possible after the test date. Be sure to give the date of the test, the name of the test center, and the city and country in which you tested.

ETS Score Cancellation Policy
ETS and the TOEFL program strive to report scores that accurately reflect the performance and independent work of every test taker. ETS standards in this regard have two primary goals: giving all test takers an equal opportunity to demonstrate their abilities, and preventing any test taker from gaining an unfair advantage over others. These standards are of the utmost importance to ETS and to those who rely on the validity of ETS test scores. Therefore, ETS reserves the right to cancel any test score when, in its sole judgment, there is substantial evidence that the score is invalid. Scores may be canceled as a result of test taker behavior or irregularities that affect testing integrity.

TEST TAKER BEHAVIOR
ETS reserves the right to dismiss you from the testing site, cancel your scores, and ban you from taking an ETS test in the future for violations such as, but not limited to, the examples listed under “Dismissal from a Test Center” on page 12.

TEST INTEGRITY IRREGULARITIES
ETS may cancel your scores for irregularities such as, but not limited to, the following:

- Problems with the administration of a test (improper timing, improper seating, defective materials, defective equipment) and other disruptions of test administrations (natural disasters, weather conditions and other emergencies). These may affect an individual, a group or multiple groups of test takers.

- Circumstances at the test center reasonably indicate that the test was improperly administered due to fraudulent or other improper or illegal activities. In certain circumstances, determined by ETS, all scores for test takers at a particular test center may be canceled even if there is no evidence of individual wrongdoing.
When test administration irregularities occur, the test may be delayed or canceled. ETS may decline to score the test or may cancel the test scores. If, because of a testing irregularity, your test is canceled, your test is not scored or your scores are canceled, see “Delayed or Rescheduled Tests” on page 11 of this Bulletin.

IDENTIFICATION (ID) DISCREPANCIES
When, in ETS’s judgment or the judgment of the test center supervisor, there is a discrepancy in a test taker’s ID, the test taker may be dismissed from the test center. In addition, ETS may decline to score the test or cancel the scores if the document(s) or photograph(s) from test day cannot be validated or if ETS has evidence that you did not appear for the test. If test scores are canceled by ETS for these reasons, the test fee will not be refunded.

HOLDING/CANCELING SCORES
When there is information that ETS considers sufficient to indicate that a test taker has engaged in any activity that affects score validity, ETS may hold the test taker’s scores. If scores are held, the test taker cannot send score reports to any institution or agency until the investigation is completed. If the scores are then canceled, ETS may bar the test taker from future ETS tests. ETS will send copies of your cancellation letter to any score recipients who have already received your scores. In addition, when there is information that ETS considers sufficient that the administration of the test did not comply with test administration regulations, some or all scores at the test center may be held or canceled.

ETS reserves the right to take any action — including, but not limited to, dismissing the test taker from the test center, holding or canceling the test taker’s scores and barring the test taker from future testing — for failure to comply with test administration regulations or the test center supervisor’s directions. ETS also reserves the right to cancel scores when, in its sole judgment, there is evidence suggesting that a test taker had pre-knowledge of test questions or answers. If a test taker is dismissed from the test center or a test taker’s scores are canceled, those scores will not be reported, and the test fee will not be refunded.

LIABILITY
ETS shall have no liability to any test taker for damages or claims of any kind whatsoever that the test taker may assert against ETS for holding or canceling scores, not reporting scores, banning the test taker from future testing, or disclosure of test taker information, pursuant to ETS’s rights as set forth in this document.

CHANGES IN TERMS AND CONDITIONS
You agree that ETS may amend or change these terms and conditions from time to time in its discretion by providing notice in the TOEFL section of www.ets.org or in any of the appropriate TOEFL documents, or by emailing or otherwise giving notice to you. If you provide your TOEFL information after the effective date of an amendment or if, before the effective date, you fail to withdraw your TOEFL information from all applicable score users or otherwise fail to instruct them not to access your score data, you will be deemed to have consented to the amendment. The foregoing does not restrict ETS from using another method for amendment under any of the TOEFL documents.
INSTITUTION CODES

Up-to-date information on the institutions and agencies that accept TOEFL scores is available in the Test Takers section of the TOEFL websites at www.ets.org/toefl or at www.toeflgoanywhere.org. If your intended score recipient is not listed, contact the agency or institution before the day of the test to get its code number. Use official destination codes to be sure your score reports are sent to the correct location. Note: If you are applying for graduate study, see the Department Codes list below. Do not use this list to select a test center.
