The TOEFL® Essentials™ test measures academic and general English skills using a multistage adaptive design.

The test is available to everyone who is properly registered, regardless of race, color, creed or national origin (subject to U.S. sanctions and embargoes).

The TOEFL Essentials Test

The TOEFL Essentials test takes about 1 ½ hours to complete and has 4 scored sections and the Personal Video Statement:

- **Listening** measures your ability to understand conversations and talks set in academic, personal, and public contexts – approximately 21–34 minutes; 30–45 questions

- **Reading** measures your ability to understand both academic and non-academic texts – approximately 22–33 minutes; 30–45 questions

- **Writing** measures your ability to write, review, and edit texts in English for different communication purposes, such as emails and online discussions – approximately 24–30 minutes; 15–19 questions and 2 tasks

- **Speaking** measures your ability to speak and communicate effectively in a variety of situations – approximately 13 minutes; 3 tasks with 9 responses

- **Personal Video Statement** allows you to share additional insights about yourself and showcase your unique personality to institutions – approximately 5 minutes; 2 questions

The test you take may include extra questions in the Listening and Writing sections, or the Reading section, that do not count toward your score. These questions are used to make scores comparable across test administrations, or they may be new questions being used to determine how they will function in an actual testing environment.

After completing the scored portions of the test, you will record a Personal Video Statement responding to 2 questions in English. The recorded responses are not scored. The first question is always, "What would you like to tell people about yourself?" For the second question, you will choose 1 of 2 randomly selected topics and give your opinion. Completing the unscored video takes about 5 minutes.

The test can be taken at home from almost anywhere in the world with a reliable internet connection. Before you register for the test verify you meet the equipment and environment requirements.

Test Preparation

- To get an idea of the different types of questions on the test, try the free practice test, available at www.ets.org/toefl/essentials/prepare.

Test Takers with Disabilities or Health-related Needs

- Testing accommodations are available for test takers with disabilities or health-related needs who meet ETS requirements. If you are requesting accommodations, you must have them approved before you can register for the test.

- If seeking accommodations, submit your request as early as possible. Documentation review takes approximately four to six weeks once your request and complete paperwork have been received at ETS.

- The 2021-22 Bulletin Supplement for Test Takers with Disabilities or Health-Related Needs contains contact information, a list of some of the accommodations ETS most frequently approves and provides, and procedures for requesting them. The Supplement should be used together with this Bulletin.

- The Supplement can be downloaded at www.ets.org/toefl/essentials/bulletin-supplement and the Bulletin can be downloaded at www.ets.org/toefl/essentials/bulletin.

- To request a large-print copy of the Bulletin and Supplement, contact ETS Disability Services. See page 6 for contact information.

Important Things to Know When You Register

• Information regarding test date availability is subject to change. The most current information regarding test dates and other registration information is available online through your ETS account.

• During registration, you can select up to 20 score recipients. See “Choosing Score Recipients” on page 11.

• Register early; test dates can fill up quickly.

• Take the test as soon as possible so your scores will be received in time to be considered with your application(s).

• Registration is not transferable. You can’t let someone else use your test appointment.

• Return to your ETS account the day before your test to check your appointment details.
Important Identification (ID) Information

- When you register, be sure that the name you use exactly matches the name printed on the identification (ID) document you will present to the Proctor on the day of the test. If the information doesn’t match, you may not be able to take the test and your test fee will not be refunded.

- Make sure the ID you present to the Proctor is the same ID you use when you register for the test. If you bring a different ID, you may not be able to take the test and your test fee will not be refunded.

- If you have a multiple-part first/given name or a multiple-part last/family name, enter it exactly as it appears on the ID you will present to the Proctor (excluding accents and apostrophes). Enter your names so they read in the same order as they do on your ID document. For example, if your first/given name is “Jean Louis,” enter both names in the “First/Given Name(s)” field.

- If you have only a first/given name and do not have a last/family name, or you have only a last/family name and do not have a first/given name, enter your name in the “Last/Family Name” field and check the box near the field.

The TOEFL Essentials test is offered around the clock, 1–3 days per week. Available test dates can be viewed in your ETS account.

For most jurisdictions, test and test-related fees are inclusive of any sales, use, value-added or similar taxes. In jurisdictions where the customer is required to account for any local taxes due, the price remitted to ETS excludes those taxes. In those circumstances, it is the sole responsibility of the customer to pay those taxes to the local tax authority. ETS is not responsible or liable for collecting and remitting those taxes on the customer’s behalf.

In Australia, Canada, Colombia, Nigeria, Turkey and the United States, test and test-related fees are exclusive of any sales, use, value-added or similar taxes, which will be added to the order when it is placed.

If your payment is declined by your bank or your card provider, you will be charged a fee of US$30.

Acceptable forms of payment

Important Note: Be sure to check the TOEFL website to see if there are any payment method restrictions for your location. Accepted currencies and forms of payment are subject to change without notice.

• Credit/debit card — American Express®, Discover®, JCB®, China UnionPay®, Diners Club®, MasterCard®, VISA®, and RuPay®. Any card branded with one of these card logos can be used.
• When you select “Credit Card” as your payment method, after entering your credit card account number and selecting Process Payment, you may be given the option to pay in the currency supported by your card issuer or in USD.
• ETS processes payments with your security in mind. This may impact your on-line experience. Visa Secure/Verified by Visa, MasterCard SecureCode, American Express SafeKey, and Discover ProtectBuy are 3D Secure (3DS) online fraud prevention measures used by card companies as an added layer of security to protect cardholder account information. During the payment process you may be asked by your card issuing bank to verify cardholder identity by entering an authentication code known only to the cardholder and the bank. Failure to enter the required information or entry of invalid information will result in the sale being rejected. If you don’t know your 3D-Secure passcode or password, and you are not given the option to enroll online in the bank’s pop up screen, then you will need to contact your bank.
• PayPal® account
• Electronic check (e-check) — drawn on a bank in the United States, U.S. Virgin Islands, Puerto Rico or Canada, in U.S. dollars only. An e-check can be used to register online or by phone.
• Paper checks and money orders can be accepted in U.S. dollars only.
• Note: TOEFL Vouchers are available for purchase in local currency in some locations. If you have an issue with payment, see www.ets.org/toefl/essentials/contact to find out if vouchers are available in your location.

All payments by check or money order must:

• be made in full
• be dated within 90 days of the date of receipt (post-dated checks are not accepted)

On Test Day

Before Your Test Session

Before your test session begins, there are a few important things you should do:

- Run the ProctorU® Equipment Check. **All issues must be resolved before your appointment time.**
- Close all applications and browsers, and make sure other internet devices are not running. This can help prevent bandwidth issues while you test.
- Make sure any other devices in your household that use internet are not running.
- Gather the materials you’ll need for your test session. (All other materials are prohibited.)
  - Passport or other acceptable ID
  - Acceptable note taking materials, such as a whiteboard or plastic transparency sheet, that can be erased in view of the proctor
  - Cellphone or hand-held mirror for check in.
- Make sure your testing area meets all environmental requirements at [www.ets.org/toefl/essentials/requirements](http://www.ets.org/toefl/essentials/requirements) including:
  - The room is quiet and well lit.
  - The table and surrounding area are clear.
  - Position your table and chair so that the door/doorway to the room is visible to the proctor.
- **Check your ID document** — See “Identification (ID) Requirements” beginning on this page to be sure your ID document will be accepted. You won’t be able to test without proper documentation. Be sure the name you used when you registered exactly matches the name on your ID document.
- Review the general guidelines and the environment requirements.
- Dress comfortably and appropriately, with your ears and face visible to the proctor. Avoid wearing any jewelry or other accessories. Come prepared for varying room temperatures.

Checking In

- At your appointment time, click the “start your test” link in your appointment order confirmation email or on the Appointment Details page in your ETS account. You will have 12 minutes after your scheduled time to check in. **If you have not checked in by your scheduled time, your test will be canceled, and your fee will not be refunded.**
- Select “Start Session” my test and complete the authentication steps, which include showing your ID to the proctor. The name on your ID must match the name on your ETS account.
- The proctor will review the exam rules and request access to your computer screen for monitoring purposes.
- The proctor will ask you to use either a hand-held mirror or cell phone to show your computer screen.
- The proctor will ask you to move the camera on your computer to show a 360-degree view of the room, including your tabletop surface, and any other places in the room the proctor may wish to inspect.
- The proctor will launch the ETS Test Browser and enter the ETS ID and password to access the test.
- The check-in process will take about 20 minutes to complete.
- **Note to test takers:** ETS is monitoring the reuse of devices and testing locations for unauthorized purposes. Frequent, inappropriate reuse of shared testing devices and common testing locations may result in the delay and/or cancellation of your scores. It could also impact your eligibility to take future ETS exams.

Identification (ID) Requirements

You are responsible for presenting a valid, acceptable ID each time you take the test. It’s your responsibility to provide the correct documents and to make sure they’re up to date on test day.
On Test Day (continued)

You must present a valid government-issued photo ID to test. Please read the following specific sections for acceptable primary and supplemental ID documents. Go to the TOEFL Essentials website and select the country or location where you plan to take the test. Please read the following specific sections for acceptable primary and supplemental ID documents and any allowed exceptions for your location.

- You are responsible for ensuring that the name you use when you create your ETS account exactly matches the name on the ID document you present to the proctor. If the names don't match, you may not be able to take the test, or your scores may be withheld and/or cancelled.

- If the proctor questions your ID, you may be required to also provide supplemental ID. If positive confirmation of your identity can't be made, you may not be able to take the test, or your test scores may be withheld and/or cancelled.

- You are encouraged to have at least 2 forms of acceptable ID each time you report to a test center, if you can. Prior admission to a test based on a given ID document doesn't guarantee that the same document will still be considered acceptable – the ID requirements may have changed.

- Admission to the test does not guarantee that the ID you provided is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity. ETS reserves the right to withhold and/or cancel your scores if ID requirements aren't met.

- If your ID document is not written in English-language letters and the proctor can't read it, you may be required to also provide supplemental ID.

- Your test fee won't be refunded if you aren't able to take the test or if your scores are withheld or cancelled because of invalid or unacceptable ID.

ID document requirements
With few exceptions, ID documents must meet all of the following requirements. Each ID document:

- must be an original document – photocopied documents are not acceptable, and documents cannot be presented on a mobile phone or any other electronic device

- must be a government-issued national/state/province identity card that is recognized by the country or location where you are a citizen or a permanent resident

- must be valid; expired documents (showing expiration dates that have passed) are not acceptable

- must show your full name; the first/given name and the last/family name on your ID must exactly match the name you used when you registered for the test

- must include a recent photograph that clearly matches your appearance

- must show your signature – the name on your ID and the signature name must match

See “Exceptions and requirements” on page 18 if:

- you have a multiple-part first/given name or a multiple-part last/family name (such as “Smith-Davis” or “Miller Thomas”)

- you only have a first/given name and no last name, or you only have a last/family name and no first name

- you’re in the process of updating your driver’s license

- you’re taking the test outside the location where you are a citizen or permanent resident

- you’re not a U.S. citizen and you are testing within the U.S.

- you’re testing in Mainland China, Hong Kong, Macau, the Philippines, Bangladesh, India, Nigeria, Pakistan, Saudi Arabia, Taiwan, the United Arab Emirates or Canada

- you’re testing in a European Union/Schengen Zone/Gulf Cooperation Council (GCC) Arab country or a Mercosur country

- you are 15 years of age or younger

- you are in the U.S. military

- you have any questions about being able to meet the ID requirements
Primary ID documents
The following government-issued ID documents are acceptable for admission to the test session:

- Passport
- Passport Card – U.S. only, and must be accompanied by a supplemental ID
- Driver’s license
- State or Province ID card – including those issued by motor vehicle agencies
- National ID card
- Military ID card
- Aadhaar Card (India only, see the testing in India Section)

If your primary ID doesn’t include your signature, you can also present a supplemental ID that shows your photograph and signature, or a government-issued ID with your photograph, as long as they’re in the same name you used when you registered.

Supplemental ID documents

- You may be required to provide supplemental ID if the proctor questions your primary ID document and/or if your primary ID is otherwise valid and acceptable but is missing your full name, photograph, or signature. If you can’t provide a supplemental ID that shows your signature, you can present 2 government-issued IDs with photographs, as long as they’re in the same name you used when you registered.
- Supplemental ID documents cannot be used to resolve last/family name discrepancies. The last/family name on your primary ID must match the name you used when you registered.

The following documents are generally acceptable as supplemental ID:

- Government-issued ID card – including, but not limited to, those listed under “Primary ID Documents” earlier in this section
- Student ID card
- Confirmation of identity letter from your educational institution. This letter must be typed or printed on the original letterhead of the educational institution you attend(ed) and, in addition to meeting all of the ID document requirements that are listed earlier in this section, must include your date of birth and the date issued. Additionally, a school official’s signature and the school seal must be present, and both must overlap your photograph. Such letters are valid for 1 year from the date issued.

Unacceptable ID documents
The following documents are not acceptable as primary or supplemental ID under any circumstances:

- Any document that is photocopied or expired
- Any document presented on a phone or any other electronic device
- Any document that does not show your first/given name and your last/family name exactly the same as the name you used when you registered
- International driver’s license
- Draft classification card
- International student ID
- Credit/debit card of any kind
- Notary-prepared letter or document
- Birth certificate
- Social Security card
- Employee ID card
- Any temporary ID – excluding driver’s license, Resident Card, and Employment Authorization Card renewals
- Diplomatic, consulate, or embassy ID card
- Any document that is not recognized by a government agency
On Test Day (continued)

Exceptions and Requirements:

Multiple-part names
- If the ID document you present to the proctor contains a multiple-part last/family name or a multiple-part first/given name (for example, Smith-Davis or Miller Thomas), the name shown on your ID must exactly match the name you used to register for the test (excluding accents and apostrophes). Supplemental IDs cannot be used to resolve last name discrepancies.

Single name (no First/Given Name or no Last/Family Name)
If you only have a first/given name and no last/family name, or you only have a last/family name and no first/given name, enter your name in the “Last/Family Name(s)” field and check the box near the field. As long as the name in your account is exactly the same as the name on your ID document, you’ll be able to take the test.

Driver’s license renewals
If your driver’s license has expired, but you present it along with your original Department of Public Safety renewal certificate, these 2 documents together are acceptable if the names on both documents match exactly. If a provisional driver’s license is issued in lieu of a renewal certificate, this will be accepted as a primary document if it includes your photo, signature and an expiration date.

U.S. Military
- If your military ID doesn’t include your signature, you must present a supplemental ID.
- If you are in the U.S. military and the expiration of your driver’s license has been extended or deferred by the issuing state, the license can be used as a supplemental ID along with your U.S. military ID. Depending on the state, the extension or deferral may consist of either a sticker affixed to the license with the designation “military” printed in place of an expiration date, or a separate document carried with the license, usually with a notation that the driver’s license is valid until a specific time period after discharge from service.

Testing outside your location of citizenship/ U.S. non-citizen testing within the U.S.
- You must present a current, valid passport with your name, photograph, and signature as your primary ID document. See www.ets.org/s/toefl-essentials/test-takers/policies-procedures/id/ for details.
- The first/given name and the last/family name on the ID you present at the test center must match the name in your ETS account.
- If you are not a U.S. Citizen and you are testing within the U.S., you must present a passport that meets all of the ID document requirements listed earlier in this section.
- If your passport is not written in English-language letters, you must also present at least 1 document listed under “Supplemental ID Documents” on page 17. The document must also contain your name; a recent, recognizable photo; and be written in English. If you do not have a supplemental ID or the proctor can’t read the language in which your ID is written, you may not be able to take the test and your test fee won’t be refunded.
- A diplomatic or embassy ID cannot be used as your primary ID instead of a passport.
- The following documents can be used instead of a passport if presented along with at least 1 of the documents listed under Primary or Supplemental ID Documents earlier in this section:
  - Permanent Resident Card/Resident Alien Card
  - Temporary Resident Card
  - Employment Authorization Card
  - Mexican Border Crossing Card – this form of ID can be accepted only at test centers within 25 miles of the Mexican border

Testing in Mainland China (not Hong Kong, Macau or Taiwan)
- Residents of Mainland China For at-home testing, your primary ID should be a valid passport. If you don’t have a passport, a valid
Second Generation National Resident ID with Supplemental ID Documents is needed. There can be no exceptions to this policy. According to relevant Chinese Laws, any Chinese citizen, regardless of age, can apply for an ID at the police station where the residency record is kept.

- **Residents of Taiwan** must present a Travel Permit to Mainland China.
- **Residents of Hong Kong and Macau** must present a current, valid passport or citizenship card.
- **Citizens of all other countries and locations** must present a current, valid passport.

**Testing in the Philippines**
You may present a Social Security System ID card issued by the Republic of the Philippines that includes your name, photograph and signature, along with an acceptable supplemental ID.

**Testing in Bangladesh, India, Nigeria or Pakistan**
The preferred primary ID is a valid passport with your name, photograph and signature.  
**Note:** ETS is temporarily accepting the Aadhaar Card as a primary ID for test takers in India until further notice. The Aadhaar Card must be an original document. Photocopied or printed documents are not acceptable, and documents cannot be presented on a mobile device.

**Testing in Saudi Arabia**
If you are working in Saudi Arabia and are not a citizen, you can use your employer-sponsored Iqama Residence ID along with a supplemental ID with name, photograph and signature.

**Testing in United Arab Emirates**
A government-issued passport is required if you’re taking the test in a country or location where you are not a citizen.  
You may present your government-issued Emirates Identity Card, driver’s license, or military ID card.

**Testing in European Union/Schengen Zone/Gulf Cooperation Council (GCC) Arab Countries or Mercosur Countries**
If you’re testing in a European Union, Schengen Zone, Arab States of the Gulf (GCC), or Mercosur country other than the one where you live, you can use your valid national or European identity card, if you have one. On Test Day (continued)

Unable to meet ID requirements
If you have been granted political asylum, have refugee status, or are otherwise unable to meet the identification requirements, you must contact the ETS Office of Testing Integrity (OTI) at least 7 days before you register for the test. You will need to receive approval from OTI before you can register. You should also be prepared to submit any requested documents to OTI for review prior to receiving approval. If you don’t contact OTI before you register, and as a result you are not permitted to take the test or your test scores are withheld and/or cancelled, your test fee won’t be refunded.

Test Day Procedures and Regulations

General guidelines
By submitting your registration for a TOEFL Essentials test, you agree to follow all procedures and policies in this Bulletin, on the TOEFL website, or communicated to you by the proctor on test day.

• The entire test session will be recorded by ProctorU® and monitored by a human proctor, and your photo will be taken.
• The test session will be actively monitored by the proctor via video camera and your computer screen to ensure you are following all testing procedures.

• During the test, make sure that you can be seen by the proctor at all times. Avoid doing anything that may look suspicious, like talking out loud to yourself, or looking away from the screen.
• Don’t use any unauthorized materials, including mobile devices, prewritten notes or textbooks at any time during the test.
• Personal recording devices of any kind are strictly prohibited.
• You must disable any screen-sharing or remote-access software (such as Zoom™, Skype™, TeamViewer™, Microsoft Teams™ and Apple Remote Desktop™) prior to the test. It must remain disabled throughout the test. Make sure that the software will not open automatically during the test.
• Don’t communicate with anyone other than the proctor.
• If at any time during the test you have a problem with your computer or the proctor for any reason, and need to contact the proctor during the test, speak to their attention and/or use the LogMeIn chat.
• If a technical issue prevents you from completing the test, immediately notify your proctor and contact TOEFL Services to reschedule.
• If you fail to follow the instructions of the proctor, you won’t be permitted to test, and your test fee won’t be refunded. Any violation of these procedures during the test or during breaks may result in your dismissal from the test session, cancellation of your test scores, and/or banning you from future ETS tests.
• Discussion or sharing of test content or answers is prohibited – this includes during the test session and after the test is completed.

Clothing and appearance
Your ears must remain visible throughout the test, not covered by hair, a hat or other items. Religious headwear is permitted if your ears remain visible during the test. Masks may not be worn during check in or any part of the at home testing session.
Dress appropriately for your test. You’ll be monitored via camera by the proctor, and your photo will be shared with institutions that receive your scores. All headphones, smart watches, face masks, jewelry, such as large necklaces, tie clips, cuff links, ornate clips, combs, barrettes, headbands and other hair accessories must be removed prior to the exam. Wedding and engagement rings may remain on.

- You must be alone in a room with no one else entering during the test.
- You cannot take the test in a public space such as a park, internet café or restaurant.
- Your computer and keyboard must be on a desk or other tabletop surface.
- The tabletop surrounding area must be clear of all items not approved for use during the test, including cell phones (except when used for check in), cameras, notes and study materials.
- You must sit in a standard chair; you cannot sit or lie in bed, couch, or overstuffed chair.
- Food and beverages are not allowed during the test.
- You must close all doors in the room before beginning the test.

- You may use 1 of the following to take notes:
  - 1 small desktop white board with erasable marker, no pencil or pen
  - 1 sheet of paper inside a transparent sheet protector, with erasable marker
- At the end of the test, you will need to show the proctor that all notes have been erased.

Dismissal from the Test
The proctor is authorized to dismiss you from the test session, and/or your scores may be withheld and ultimately cancelled, for any action that violates any of the policies and procedures contained in this Bulletin, on the TOEFL website, or communicated to you by the proctor. If you are dismissed for a violation, your test fee will not be refunded. Violations include, but are not limited to, the following:
- Taking or attempting to take the test or part of the test for someone else or having or attempting to have someone else take the test or part of the test for you.
- Failing to provide acceptable identification as described in this Bulletin, including refusing to allow your photograph to be taken.
- Obtaining improper access to test content, a part of the test, or information about the test. This includes having test questions or answers in advance of the test administration and bringing pre-knowledge of any test information in any form, including but not limited to ID documents, prohibited devices and any other item used as an aid in connection with the test.
- Using any object as an aid in connection with the test including, without limitation, phones, tablets, watches, pens, scan pens or other scanning devices, calculators, books, pamphlets, notes, unauthorized note taking material, rulers, highlighter pens, dictionaries, test preparation materials, translators, and any electronic, scanning, listening, recording, photographic or wearable device.

Discussion or sharing of test questions or answers is prohibited during the test session, during breaks, and after the test is completed, including communication via text messages, email or photographs.
- Removing or attempting to remove test content – under no circumstances may test content or any part of the test content be removed, reproduced, transmitted and/or disclosed by any means (for example, hard copy, verbally, electronically) to any person or entity.
- Failing to show to the proctor that you have erased all notes taken prior to ending the test session.
On Test Day (continued)

- Leaving the testing area vicinity without permission during the test.
- Taking unscheduled breaks during the test.
- Failing to follow any of the test administration regulations contained in this Bulletin, on the TOEFL website, given by the proctor, or specified in any test materials.
- ETS and the TOEFL Program reserve the right to take any and all actions — including, but not limited to, barring you from future testing and/or withholding or cancelling your scores— for failure to comply with test administration regulations or the proctor’s directions. If your scores are cancelled, they won’t be reported, and your test fee won’t be refunded.
- Reports of cheating or fraud will be investigated thoroughly, and offenders may be prosecuted to the full extent of applicable law.
- ETS and the TOEFL Program reserve the right to take appropriate action and/or notify appropriate authorities, including but not limited to law enforcement, if a test taker responds in a threatening or disturbing way to an essay or speaking question or communicates with ETS or other individuals either verbally or in writing in a threatening or disturbing manner, or by using profanity.

Unofficial Scores
At the end of the test, you’ll be able to view your scores for the Listening and Reading sections. These scores are not your official scores until your score reports are posted in your ETS account, approximately 6 days after you take the test – however, these unofficial scores will give you an idea about how you did on the test.

Cancelling Scores
At the end of the test, you have the option to either have your scores reported or cancel them.
- If you choose to have your scores reported, they become part of your record and will be reported to you and any score recipients you designated. Once you choose to report your scores, they cannot be canceled.
- If you choose to cancel your scores, they won’t be reported to you or to any score recipients. You won’t receive a refund if you cancel your scores. See “How to Reinstate Your Scores” on page 24 if you cancel and then change your mind.

Cancellation/Rescheduling of a Test Session
If it becomes necessary for ETS or the TOEFL Program to cancel a test session for reasons beyond its control, a cancellation announcement will be posted as soon as possible on the TOEFL website at www.ets.org/toefl/essentials. Fees that you paid will be transferred to a new test appointment or credited back to your ETS account. It’s important that you keep the contact information in your ETS account up to date, especially your phone number and email address, so you can be contacted quickly if needed.

Unless ETS or the TOEFL Program cancels a test session, it will be conducted as scheduled, barring circumstances preventing prior notification of cancellation. If you miss a test administration that has not been officially cancelled, you’ll be considered absent and won’t receive a refund or credit of any kind.
- If your appointment is rescheduled by ETS before you take the test, you can select a different test date and won’t be charged the rescheduling fee.
- If you take the test and your scores are cancelled by ETS, ETS will determine, at its sole discretion, whether or not you are eligible to re-test at no charge or to receive a refund.

When you contact TOEFL Services, have the appropriate receipts available and be prepared to provide all of the following information:
- Name
- Date of birth
- Mailing address
- Daytime phone number
- Email address
- Original test date
- TOEFL appointment number
- A description of the problem

Note: Official score reports will be sent to your designated recipients within 11 days after your test – or sooner, depending on what score delivery method each institution uses. However, if we mail the score report, keep in mind that ETS has no control over mail delivery to various locations around the world. Allow another 7–10 days for mail delivery in the U.S., and 4–6 weeks for mail delivery to other locations. For information specific to your postal system, contact your post office for an estimated arrival time for mail from the U.S.

You can order additional score reports for institutions you didn’t identify before test day. You can order online through your ETS account.

How to Interpret Your Scores
For each of the four test sections you will receive a band score from 1 to 12. An overall band score is calculated as the average of the four section band scores. The overall band score ranges from 1 to 12 in increments of 0.5, rounded to the nearest whole or half band.

Your score report also includes MyBest scores. These scores are the highest section scores achieved in any test administration within the last two years. The overall band score for MyBest scores reflects the average of the highest section scores.

In addition, the score report provides information about two foundational skills, Vocabulary Knowledge and Sentence Construction. These foundational skills underlie broad areas of language ability, and information about your performance is reported in the form of a percentile value. The percentile indicates that you performed better than that percentage of all those who took the test. For example, a percentile value of 75 means that you performed better than 75% of all test takers.

How to Reinstate Your Scores
If you cancel your scores at the end of your test but then change your mind, your cancelled scores can be reinstated if your request arrives at ETS within 60 days after your test date. You can order online through your ETS account.

The reinstatement fee is US$20. Your scores will be reinstated and reported within 3 weeks after receipt of your request and payment.

Note: This applies only to scores cancelled by you. If your scores were cancelled by ETS, they can’t be reinstated.
Score Reporting (continued)

How to Order Additional Score Reports
You can have additional score reports sent to as many institutions as you want, at no additional charge. There is a limit of 20 score reports per transaction. Score reports can be ordered online. Designated institutions can’t be changed or deleted after you submit your request.

You can have an additional score report sent to yourself for a fee of US$20.

Your order can’t be processed until your scores have been posted, approximately 6 days after you take the test. Score reports are mailed 3–5 business days after we receive your request, or longer if you submit your order before your scores have been posted.

ETS has no control over mail delivery times to various locations around the world. Allow 7–10 days for mail delivery in the U.S., and 4–6 weeks for mail delivery to other locations. For information specific to your postal system, contact your post office for an estimated arrival time for mail from the U.S.

TOEFL scores are measurement information and are subject to all restrictions on release of information in this Bulletin. They are not the property of the test taker. The information in your posted scores is the same as what is printed on your score reports.

Scores are valid for 2 years
- TOEFL scores remain valid for 2 years after the test date. Because language proficiency can change considerably in a short period of time, TOEFL scores more than 2 years old can’t be reported or verified.

Score Validation
Institutions have the ability to verify scores sent directly to them by test takers. If there is a discrepancy between the official scores recorded at ETS and scores you submit, the institution or agency will be asked to provide ETS with a copy of what you submitted.

At the request of the institution or agency, ETS will report the official scores as well as any previous scores recorded for you within the last 2 years. ETS or its authorized representative will also provide your score information at the request of any institution or agency that has a copy of your score posting or your test taker score report.

Online Score Verification Service
The following terms and conditions supplement all other terms and conditions, disclosures, policies and agreements relating to TOEFL test scores reported by ETS, including but not limited to the ETS privacy and security policy, ETS Scoring Policies and the TOEFL Essentials Information Bulletin, all as amended from time to time (collectively, “TOEFL Documents”).

You can view the current version of the ETS privacy and security policy at www.ets.org/legal/privacy. The current version of the ETS Scoring Policies is available on the TOEFL website at www.ets.org/toefl/essentials/policies/scores under Test Takers, Policies and Procedures, Scores.

The ETS Data Manager allows entities that contract with ETS for access, including governmental immigration offices (the “Organization”), to verify the scores of tests provided by ETS under the TOEFL trademark. The TOEFL Essentials test is designed by ETS to measure a test taker’s academic and general English skills.

TOEFL scores indicate how the test taker performed on the test, and the score data provided through the ETS Data Manager provides identifying information about the test taker. Some test takers provide their TOEFL score information directly to Organizations; the Verify TOEFL Scores function allows these Organizations to view and verify the scores.

By registering for a TOEFL test, downloading a TOEFL Bulletin, completing the confidentiality agreement on test day after having an opportunity to review it, by signing the supplement, or by providing your TOEFL
test appointment number, your scores, or your test taker score report to an organization, you agree to all the terms and conditions of this supplement without modification by you.

If you do not agree, do not provide your TOEFL appointment number for a past or future test, or your test taker scores, or your test taker score report to any Organization. Unless you give them your information, the Organization should not be able to use the ETS Data Manager to access your score data.

Terms and Conditions
1. **Your Initiation of the Verify TOEFL Scores function in the ETS Data Manager.** If you provide your TOEFL appointment number and date of birth to an Organization, that Organization will be able to view and verify your scores and related data. Do not provide that information unless you want to allow the Organization to access your score data using the ETS Data Manager.

2. **Score Data; Organization Access.** Using the Service, a member Organization will be able to view, copy and use your name, gender, photograph, date of birth, appointment number, ID information including passport number or national ID number, test date and test scores (including your total score and your scores for the Reading, Listening, Speaking and Writing sections), Foundational Skills scores, read your writing samples and listen to your speaking samples (collectively, the “Score Data”) captured during the test administration and will be able to view your Personal Video Statement. ETS reserves the right to determine whether more or less data should be provided from time to time in its good-faith discretion. Any use of your score data by the Organization should be pursuant to its privacy and security policy, if any, rather than to the ETS policy. ETS contracts with these Organizations to use the information only to verify the TOEFL scores, but ETS does not control the Organizations.

3. **Limitations.** You acknowledge that if you give an Organization your appointment number for a TOEFL test that is more than 2 years old, the Organization will not be able to verify your scores. You agree that ETS supplies the Service and the Score Data as is and with all faults. All disclaimers, damage and remedy exclusions, and limitations and other provisions of the TOEFL Documents, apply to the ETS Data Manager and the Score Data.

4. **Other.** Except as impacted by the ETS Data Manager, the terms and conditions of the TOEFL Documents will remain in full force and effect. ETS reserves the right to share data with institutions and agencies for verification purposes outside of the ETS Data Manager. You agree that ETS may amend or change these terms and conditions from time to time in its discretion by providing notice in the TOEFL section of the website at www.ets.org or in any of the TOEFL Documents, or by emailing or otherwise giving notice to you. If you provide your TOEFL information to an Organization after the effective date of an amendment; or if, before the effective date, you fail to withdraw your TOEFL information from an Organization or otherwise fail to instruct it not to access your score data, you will be deemed to have consented to the amendment. The foregoing does not restrict ETS from using another method for amendment under any of the TOEFL Documents.

**ETS Score Cancellation Policies**

ETS and the TOEFL Program strive to report scores that accurately reflect the performance of every test taker. Accordingly, ETS's standards and procedures for administering tests have 2 primary goals: giving test takers equivalent opportunities to demonstrate their abilities and preventing any test takers from gaining an unfair advantage over others. To promote these objectives, ETS reserves the right to cancel any test score, whether or not it has already been reported, and to take such other actions as ETS deems appropriate, including banning the test taker from taking any future ETS test and referring the matter to law enforcement authorities, when, in ETS's judgment, a testing irregularity occurs; there is an apparent
discrepancy in a test taker’s identification; the test taker may have engaged in misconduct, including without limitation having someone else take the test for him/her, obtaining improper access to test questions or answers via the internet, email, SMS, text messaging or posting; disclosing test questions or answers to third parties in chat rooms, message boards or forums, SMS text message, or any other method, plagiarism, or copying or communication; or the score is invalid for another reason. ETS reserves the right to share any and all information in its possession about a test taker and the terms and conditions of test taking with any third party, including but not limited to (a) any entity which ETS recognizes as an authorized user of test scores, including without limitation any entity to which ETS reports test scores at the test taker’s request, and (b) any government agency with responsibility for administration or enforcement of U.S. criminal and/or immigration laws. When ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled and may also explain why the score has been canceled.

**Testing irregularities**

“Testing irregularities” refers to problems with the administration of a test. Testing irregularities can result from the actions of test takers, proctors, ETS, or natural or man-made causes. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors such as improper timing, defective materials such as improper test forms, improper access to test content, and other disruptions of test administrations such as natural disasters or other emergencies. When testing irregularities occur, ETS may decline to score the test or cancel the test scores. When it is appropriate to do so, test takers will be given the opportunity to take the test again without charge as soon as reasonably possible.

**Holding/cancelling scores**

- If there is information that ETS considers sufficient to indicate that you have engaged in any activity that affects score validity, ETS may hold your scores for investigation. If your scores are held, you can’t send score reports to any institution or agency until the investigation is complete.

- In addition, when information exists that ETS considers sufficient that the administration of a test did not comply with test administration regulations, some or all scores from that administration may be held or cancelled.

- ETS reserves the right to take any action — including, but not limited to, dismissing you from the test, holding or cancelling your scores, and banning you from future testing — for failure to comply with test administration regulations or the proctor’s instructions. If you’re dismissed from the test or your scores are cancelled, those scores won’t be reported and your test fee won’t be refunded.

- ETS will also exercise its right to cancel any test score when, in its sole judgment, substantial evidence of pre-knowledge of test content is found.

- The retake test policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information). If the violation is identified after registration but before the test administration, the testing appointment will be cancelled, and test fees will be forfeited. If the violation is identified after test scores have been reported, the invalid scores will be canceled, score recipients will be notified of the cancellation and test fees will be forfeited.

**Identification discrepancies**

When, in the judgment of ETS or of the test center administrator, there is a discrepancy in your ID information, you may be dismissed from the test. In addition, ETS may decline to score your test or may
Score Reporting (continued)

hold or cancel your test scores if the documents from test day can’t be validated, or if ETS has evidence that you were not the person who appeared for the test or didn’t take the entire test yourself.

ETS will also cancel scores, ban the test taker from any future testing, and notify any score recipients of the cancellation if fraudulent activity is detected after your scores have been reported. If your scores are cancelled, your test fee won’t be refunded.

Misconduct
When ETS or a proctor finds that there is misconduct in connection with a test, test takers may be dismissed from the test and/or ETS may decline to score their tests or may withhold and ultimately cancel their scores. If your scores are cancelled, your test fee won’t be refunded. Misconduct includes, but is not limited to, non-compliance with the “Test Day Procedures and Regulations,” beginning on page 20 of this Bulletin.

Plagiarism
ETS reserves the right to cancel your scores if, in its judgment, there is evidence that a writing or speaking response or task submission includes text that is substantially similar to that found in other TOEFL responses, or quotations or paraphrasing of language or ideas from published or unpublished sources, including sources from the internet or sources provided by any third party, is used without attribution. Such responses don’t reflect the independent speaking or compositional writing skills that the test is designed to measure.

Invalid scores
ETS may also cancel scores if, in its judgment, there is substantial evidence that they’re invalid for any other reason. “Substantial evidence” means evidence that is sufficient to persuade a reasonable person. The substantial evidence standard is lower (meaning it requires less proof) than the ”beyond a reasonable doubt,” “clear and convincing,” or “preponderance of the evidence” standards. Evidence of invalid scores can include, without limitation, discrepant photographs, unusual answer patterns, or inconsistent performance on different parts of the test.

Before cancelling scores pursuant to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses those concerns, considers any such information submitted, and offers the test taker a choice of options. The options may include voluntary score cancellation, a free re-test, a voucher for a future test, or arbitration in accordance with the ETS standard Arbitration Agreement. The arbitration option is only available for tests administered in the United States, U.S. Virgin Islands, Puerto Rico or Canada.

More information about how and why ETS questions scores is available on the TOEFL website at www.ets.org/toefl/essentials/policies/id.

Liability
ETS shall have no liability to any test taker for damages or claims of any kind whatsoever that a test taker may assert against ETS for holding or cancelling scores, for not reporting scores, for banning the test taker from future testing, or for disclosure of test taker information pursuant to ETS’s rights as set forth in this document.
Confidentiality of Information

Privacy
ETS and the TOEFL Program take the privacy of our test takers seriously and recognize your right to control the information about you that is stored by us. Our policies are designed to safeguard that information from unauthorized disclosure.

Because of laws protecting confidentiality and privacy, only you can register yourself for a test or make inquiries regarding your registration or your test scores. ETS takes reasonable precautions to protect the integrity of your personal information provided in connection with the registration process, as well as any information generated internally that is specifically pertinent to you, and to keep this information secure.

Your private information will not be made available to anyone but you; ETS (including the employees, agents, contractors, or professional advisors of ETS); the educational institutions or agencies you indicate before you take the test; and any person or entity required or authorized by law to receive this information.

At the Test Administration
You must show the required ID to test, and your photograph will be taken. See “Identification (ID) Requirements” beginning on page 15.

Consent
Notwithstanding anything to the contrary in any other ETS or ETS affiliates (“ETS,” “we,” “us,” “our”) materials or agreements with you, you consent to the terms and conditions herein by registering for or taking an ETS test, creating an account or using our app or our website, providing survey information, requesting one of our services, or completing an order or submitting payment information.

You agree that we have the right to obtain, store, use, and transmit your personal information, including your full name, home address, email address, phone number, passport number, biometric data such as fingerprints, audio recordings and video files, your answers to background information questions, the test you’re taking, test date, payment information, and how you specifically use our website or our mobile app (“Personal Information”).

Purpose and Use of Personal Information, Photograph and Video
Your personal information can be used to:
- complete any registration, purchase or other transaction you request
- improve our products and services, and identify, develop and offer new or expanded products and services
- improve and personalize your experience on the website
- notify you about updates, products, services and/or special offers from ETS, its affiliates and selected third parties
- ask you to participate in brief surveys or provide other information
- generate aggregate statistical studies and conduct research ourselves or jointly with others related to our products and services and the use of our website and app

Based upon your specific relationship(s) with us, we may use your personal information in ways described in more detail in one or more other agreements.

Additionally, you consent to the transfer of your personal information within and outside of your country of residence and outside of the location where you take the test.

We disclose your personal information to certain third parties with whom we have a direct or indirect business or contract relationship, to provide products and services you have requested.

You will have the ability to opt out of receiving certain communications from us, including voicemail or email. If you don’t opt out immediately, but later decide that you would prefer not to receive email communications from us, please contact the TOEFL Program through www.ets.org. Remember, however, that we may still send you email or call you in order to provide a product or service that you request.
Disclosure
Your personal information may be disclosed to those third parties who provide services to ETS, provided that they have contractually agreed to use the personal information only as needed to provide the services.

By electing to report your scores at the end of your test, you authorize ETS to report your scores to you and to any entity or person authorized or required by law to receive this information.

Unless you cancel your scores at the end of the test, your scores will be reported. Any information you provided as part of registration may be used to report your scores or to contact you regarding test- or program-related issues.

Security and Retention
ETS, the TOEFL Program and their service providers shall at all times protect your personal information with operational, administrative, technical and physical security safeguards.

ETS will retain your scores for 2 years from the test date. After 2 years, all test taker information and scores are removed. If you took the TOEFL test more than 2 years ago, you’ll need to take the test again to have scores provided to you, an institution or an agency.

Individual Rights
At any time, you can:
• request access to and correction of your Personal Information
• make any inquiries, requests, or complaints about the use of your Personal Information
• withdraw your consent to the processing of your personal data; however, if you exercise this right, you may not be able to take any further tests and your scores may be cancelled

Requests, inquiries, or complaints should be directed to TOEFL Services. See “Contact Information” on page 6.

Score Information
Your score information is intended only for you and your designated score recipients.

ETS will not release your score information at the request of institutions or agencies except:
• for use in research studies, scoring and statistical analyses approved by the TOEFL Program and that preserve your anonymity
• when information is required under compulsion of legal process, in which case your score record and the documents that are retained at ETS (including, but not limited to, photos and documents completed at check-in on test day) may be released to third parties such as government agencies, parties to a lawsuit, etc., if requested pursuant to a subpoena or required by applicable laws

Note that whenever ETS has confirmed that you have submitted a TOEFL score directly to any educational institution or agency in satisfaction of one of their requirements, ETS will respond to requests from that recipient for score verification.

Your responses may be used for rater training and in the development of new test preparation materials. Test taker information, such as your name and address, is not included when scored responses are used for these purposes. Rater training is essential to ensure that tests are scored in a fair and consistent manner. The use of your responses will benefit future test takers by helping to improve the training of raters, just as the scoring of your test will benefit from the use of prior test takers’ responses.
Institution and Department Codes

Institution Codes

Codes for the institutions and agencies accepting TOEFL scores can be found on the website at www.ets.org/toefl/test-takers/ and available during registration online. If an intended score recipient isn’t listed, contact the institution or agency directly to get the code number before you register. Using official destination codes ensures your score reports are sent to the correct locations.

Note: If you are applying for graduate study, see the Department Code list below. Use the correct code to be sure your scores go to the correct location at the institution.

Department Codes

Use the following codes when selecting institutions, agencies or programs to receive your scores. Using official department codes will ensure your score reports are sent to the correct locations at the institutions.

00 – Undergraduate and all other test takers not applying for Graduate Study, Graduate Schools, or Business or Law Schools
02 – Graduate Schools of Management
